A SPECIAL MEETING of the Akron Village Board was held on this date at 6:30 p.m. Present: Mayor Carl E. Patterson, Trustees, Michael R. Middaugh, Kathryn A. Capan, Keith A. Hatswell, and; Attorney Daniel D. Shonn, Manager of Public Works Jon Cummings and Clerk Treasurer Daniel P. Borchert.

PUBLIC HEARING – Local Law #2 for 2014 possible override of the 2% Tax Cap. The Clerk-Treasurer read the publication. Village Clerk-Treasurer Borchert presented the final proposed 2014-2015 Village Budget. The final budget was put together with the 2% tax cap legislation that New York State Governor Andrew Cuomo signed into law. The tax cap legislation establishes a limit on the annual growth of property taxes levied by local governments to 2%. With continued changes to the formula the tax cap this year is 1.66%. The tax cap can only be exceeded by having the local governing board passing a local law with at least 60% of the voting board approving the increase. The Village of Akron does not need to consider passing the local law to override the tax cap this year. The proposed budget was put together with a tax rate of \$5.91 per thousand.

The water fund budget was created holding our current water rates stable. The Village rate is set at \$7.75/1,000, easement rate is set at \$9.6875/1,000 and outside residential rate is set at \$11.625/1,000. The easement rate is determined at 125% of the Village rate and the outside residential rate is determined at 150% of the Village rate.

The sewer fund budget was created holding our current rates stable. The Village rate is set at \$5.75/1,000 based on water consumption.

The electric fund budget was created holding the electric rates stable from the 2009 filed NYS PSC rate case.

RESOLUTION, duly moved by Forrestel, seconded by Capan, adopting the proposed Budget for the Village of Akron, as modified by the Board, for the fiscal year beginning June 1, 2014 and ending May 31st, 2015, including a new Village tax rate of \$5.91 per thousand, authorizing the water rates for usage beginning July 1st, 2014 and thereafter billed on October 15th, 2014 to be as follows:

Inside Village, Minimum, First 5,000 Gallons – \$38.75

That the sewer rate for usage beginning July 1st, 2014 and thereafter billed on October 15th, 2014 to be \$5.75/1,000 based on your water consumption, be and hereby is adopted.
