Suggestions from members, consultant and Building Inspector

- Councilwoman Waiss stated that she will now be attending all Planning Board meetings as the Town Board representative.
- Mike Fleming provided some examples of issues that he has observed which he believes do not show the Town in the best light. He feels that there can be leeway and compromises made and that there be more support for the CEO to allow him to better enforce the guidelines.
- Chairman Dewitt asked for an update on the Town's review of the Battery Storage Law that the Planning Board sent to the Town in December. Councilwoman Waiss will look into the status.
- Councilwoman Waiss suggested that the Planning Board members attend the Town Board work sessions rather than the meetings. She also reviewed the topics to be discussed at the Town Board agenda tomorrow.
