Suggestions from members, consultant and Building Inspector

The Planning Board members are interested in knowing whether there are applicants for the open member position available in January 2018. Mike Fleming commented that Town Supervisor Savage is a “dictator” and stated that the Planning Board used to appoint its own members in the past. Chairman Dewitt corrected him saying that the Planning Board may have been involved in the interviewing process at times but all appointments have always been and continue to be the prerogative of the Town Board.

Matt Malecki suggested making the Town Board aware that the Welcome to Alden sign was destroyed in the storm. The Planning Board recommends that the Town Board look into replacing it.

The Planning Board did not receive the CEO report for the prior month. Mike Dewitt will ask CEO Snyder, who is currently on vacation, to provide the latest one once he is back in the office.

Monthly property progression review
