BUSINESS FROM THE FLOOR

Ed Earsing complimented the Board on a job well done in dissolving the water districts and having E.C.W.A. taking them over. Attorney Strong said that it is official; the E.C.W.A. approved it last Thursday. Supervisor Milligan gave an example of why there was a turnover. The hydrant in front of the Town Hall had been hit by a car and had to be repaired. The Town was charged by the E.C.W.A. \$1083.00 in labor, \$687.00 transportation, \$1400.00 in material and \$1000.00 to a contractor.

Matt Herdzik questioned whether the piping/traffic lights at Sandridge and Broadway will stay the way it is or be corrected? That is a State Road and they do not have to inform the Town of changes.

AT 7:05 P.M. SUPERVISOR MILLIGAN MOVED TO ADJOURN FROM THE REGULAR MEETING AND GO INTO THE PUBLIC HEARING REGARDING THE APPLICATION FOR A NEW HOME OCCUPATION PERMIT FOR SHARON A. JORDAN-PARKER TO CONDUCT A BUSINESS OF GROWING HERBS AND MAKING HERBAL OILS FOR SALE FROM HER RESIDENCE AT 12722 W. MAIN ST. COUNCILMAN WEBER SECONDED THE MOTION.

COMMUNICATIONS

Town Clerk Ralph Witt:

A letter was received from New York State Taxation and Finance with regard to our reappointing an Assessor. The Town's present Assessor's term expires at the end of September.

Attorney Strong:

More information has been received from the Marilla/Alden Car Show committee; she will talk further on this at the Work Session.

For the Firemen's Carnival this week, the indemnification agreement has been received signed by the Village and the Fire Company. She is still waiting for proof of insurance from the Fireworks Company and the Village. The Village did deliver maps to her for the 1963 waterline deed. They have been given to Eng. Metzger for his review. ECWA did approve the transfer of the water lines last Thursday. The Village has not sent Attorney Strong a contract or anything to allow the Town to contribute financially to any part of the Carnival.

Councilwoman Riddoch:

An additional application was received from Millgrove Fire Co. for membership. She would like this on the Work Session.

A letter was received from Home Bureau requesting the use of the Community Center on specified dates. She would like that on the Work Session.

Attorney Strong has been working on a proposal for the proposed walking/bike path. She would like that on the Work Session.

REPORTS OF COMMITTEES, OFFICIALS AND PERSONNEL

Councilman Weber:

The drainage on Boncliff should be coming along soon, if it hasn't started already. Weather permitting.

Attorney Strong:

She will mail the lawn mowing notices to the various property owners in the morning.

Engineer Metzger:

He is continuing to work with the Dept. of Transportation and Erie County DPW regarding questions about truck traffic on West Main St. and making sure that the posting on the viaduct has the correct height on it.

Last week he attended the Storm water Coalition meeting representing the Town of Alden and brought back documents he will copy to the board. Supervisor Milligan wanted to clarify to Eng. Metzger that we are not going after a grant for the bike trail from Lancaster to Genesee County, what we are trying to do is put a trail between the two parks, which because it is not a grant would hopefully make it more attractive to landowners. There would not be as many stipulations as there would be with a grant.

CEO Chris Snyder:

There has been three quotes received for entry doors at the Town Hall, he would like this put on the Work Session. The Supervisor thanked CEO Snyder for following up with the grass cutting issues; the Town has been receiving a lot of complaints.

DCO Len Weglarski:

A dog was picked up and held 5 days, but the SPCA had no opening, he will continue to hold it until there is an opening. A note from Councilwoman Riddoch, if the Dog Warden holds the dog longer than the 5 days and there is no opening at the SPCA, the Town will continue to pay him for that time until the dog is surrendered.

Councilwoman Riddoch:

Volunteers came out to the Joe Panza trail on Saturday from 10-2. The Park's crew and Park's Supervisor got mulch to spread dumped by the Highway Dept.. She wanted to thank all involved. The trail is looking good.

Supervisor Milligan:

Announced that the Carnival will be opening on Thursday with a Taste of Alden.

There was an article in the News and Channel 2 about the Erie County Home. It is the intention of the County to fence the area and start taking the building down in sections over a period of 5, 10 or 15 years.

There is a billboard up on Genesee St. advertising activities within Alden.
