**BUSINESS FROM THE FLOOR**

Lee Weisbeck/Sandridge Rd. questioned the Local Law No. 1 of 2017. He had thought that the Supervisor had removed the building permit fee portion of this bill. Supervisor Savage said he had and that it was a typo that it had not been removed. He will remove it. The CEO will check

them out to make sure they are in compliance. He had also increased the size to 150 sf, made special consideration for 4-H projects, removed renewal fee and no building permit will be necessary for the coops. The initial fee will be waived for 4-H projects also.

Nick Kraatz/Wende Rd. reiterated that existing berms will not be retroactive by the new law. Supervisor Savage said they will not. Nick also asked if there was a list of the complaints received on his berms. There was not a list; most complaints were based on the unsightliness in its current state. Supervisor Savage said he is sure that once Nick applies the finishing touches to his berm there will be no complaints. There were a couple of concerns about site distance coming out of the drive.

### **COMMUNICATIONS**

Supervisor Savage:

1. A letter was received from LVAC informing the Town of the new leadership team.
2. Communication from the CEO on the Rilan Subdivision application review. Supervisor Savage would like this on the Work Session.
3. Supervisor Savage spoke with Supervisor Gingrich from Marilla regarding the Senior Van. Marilla will be starting a senior lunch program on Mondays and Fridays. The Town of Alden's is Tuesday, Wednesday and Thursday. There would be a simple municipal agreement that Alden would take our van into Marilla and pick up people on Tuesday, Wednesday and Thursday and bring them to the community center for the County lunch program. They will pay the mileage to Marilla to the Town. It is hopeful that people from Alden will attend Marilla's lunch program on Monday and Friday. They will need to provide their own mode of transportation. Supervisor Savage feels it will be a win win situation, boosting Alden's attendance for the lunch program.
4. The approved Board minutes from the 12/22/16 Village of Alden Board meeting.
5. We did get our \$43,116.00 project for the community center kitchen, tables & chair update.
6. A copy of the Planning Board minutes from January 10<sup>th</sup> was received.
7. Discussion on applying for distressed property from Landbank – Fairview Dr. Councilman Witt saw the property on the list. The Town will go forward requesting to acquire the property located by Sewer Plant #2.
