BUSINESS FROM THE FLOOR CONTINUED

Matt Herdzik, S. Woodside questioned the Board on the funding of the Ewell Free Library. He had read in the paper that \$120,000.00 was funded to 12 libraries and Alden was not one of them. What do you have to do to qualify for this funding? Mr. Herdzik wanted to know what the funding that the Town provided in the amount of \$20,000.00 was used for. Supervisor Savage said extended Saturday hours and upkeep of the library. Mr. Herdzik wanted to know who owns the library. Attorney Strong said the building is owned by the library and County library association refers to it as an associate library. The books are owned by the County. In the last 45 years Mr. Herdzik has yet to go to the library to request a book and not told that he would be called in four or five days. Then when he picks the book up they charge him a quarter. He wonders why we can't get books like everyone else and why must he pay a quarter. Supervisor Savage believes that because we are a small library we only get one or two copies and if its new it is probably out and you would have to wait until it comes in. Supervisor Savage will contact the library services to see why Alden has not qualified for the funding. Councilman Witt asked Mr. Herdzik to check his Town/County tax bill for the library line to see the amount of his tax bill that goes toward libraries.

John Lewandowski, Boncliff Drive is before the Board again to try to get resolution for their flooding and erosion issues. He would an update. Supervisor Savage said we actually do have an update. Engineer Metzger said that they received the topographic survey for Broadway/Boncliff and a plan has been prepared. They are ready to go out to bid. A 30" pipe will be installed along Broadway. They have to get three prices. There was a further discussion including Highway Supt. Wagner as to the progress they are making to help with the flooding problem.

AT 7:26 P.M. SUPERVISOR SAVAGE MOVED TO ADJOURN FROM THE REGULAR MEETING AND ENTER INTO AN EXECUTIVE SESSION WITH THE TOWN BOARD AND TOWN ATTORNEY TO DISCUSS A MATTER OF PERSONNEL. COUNCILMAN WITT SECONDED THE MOTION. THE FOREGOING MOTION WAS PUT TO A ROLL CALL VOTE ON OCTOBER 2, 2017 AND CARRIED.

Councilwoman Pautler Moved and Supervisor Savage seconded the Motion requesting that the Commissioner of Highways for Erie County, via a submission of a TE9 by the town of Alden, conduct a speed study of Sandridge Road from the intersections of Sandridge, North and Wende roads south to the end of St. John's Church property, with the ultimate result being the lowering of the speed limit from 35 mph to 30 mph from the intersection noted above to the posted school zone, and from 25 mph in the posted school zone to 15 mph and this school zone speed zone continuing south past the intersection of Sandridge and Westwood to the southernmost end of the St. John's Church property. The speed limit beyond the southernmost portion of the St. John's Church property would remain its current 35 mph. This request is based on several near misses reported by the school principal between cars that are traveling faster than the posted school zone speed limit, not seeing the stop sign at the crosswalk, and kids when busses are loading/unloading. It is noted that the children have to cross the intersection between the school and the church several times each school day for services and physical education.
