BUSINESS FROM THE FLOOR

Scott Chugg from Spectrum/Charter/AKA Time Warner Cable was present as part of the application for a Peddler's Permit. Supervisor Savage said Scott had passed his background check; he will be going door to door to present Time Warner customers and also try to sign up new customers to Spectrum. Supervisor Savage reported that the Peddler's Permit will be approved later in the meeting. Matt Herdzyk, S. Woodside told the Board of his concern with the railroad crossing on Sandridge Rd.; it is in need of repair with the rails starting to split. The Town will contact the railroad and advise. Mike Fleming, Main St. wanted to address the Board regarding the minutes of the last Town Board meeting. He wanted to make a statement and have it noted in the minutes of tonight's meeting regarding the statement he made at the last meeting when questioned by the Supervisor "is it the nature of his business that bothers you" and he replied "yes", he (Mike) and some of the Planning Board members feel that this is a store not a H.O.P. and does not meet all the requirements. He (Mike) would

like to state that the true basis to his statement about the Adamski Home Occupation Permit is that he is not against guns, but his objection is against the H.O.P being run as a store.

COMMUNICATIONS

Supervisor Savage:

1. SunnKing Rios – 5,704 lbs. of electronic recycling.
2. Letter from Dan Kaplan ACS Athletic Director. Re JV Baseball diamond use (put on Work Session).
3. Notice from Teamster Health/Hospital fund regarding the audit – Town in compliance in all factors.
4. Monthly report for January 2017 from Alden Hook and Ladder Fire Co.
5. Approved Village Board Minutes from January 26, 2017.

REPORTS OF COMMITTEES, OFFICIALS AND PERSONNEL

Attorney Strong:

Sample laws were received from General Code Publishers for sample fill laws that she circulated.

Highway Supt. Wagner:

The County has been contacted regarding the 4 Rod Road bridge it initially was number 7 on the list for repairs. They have recently contacted Hwy. Supt. Wagner stating that the design is 75% completed and it has been moved up to number 5. This will be a complete replacement. It is presently safe to travel on with no weight restrictions.

Town Engineer Metzger:

Engineer Metzger met last week with the Town Supervisor and the Sewer Treatment Plant operator with the DEC at Sewer District #2 to discuss future replacement of the plant. One thing that the DEC did ask for was record of flow coming into the plant. We presently have current and adequate flow data on the output of the plant. Engineer Metzger has gotten a price on a flow monitor for the input of the plant. This may have an impact on some of the preliminary findings he has done. Engineer Metzger is after the Contractor for the water districts to turn all his paperwork in.
