### **Suggestions from members, consultant and Building Inspector**

CEO Snyder advised that there is a possibility that someone may purchase 11679 Genesee Street at the corner of Wende Road zoned C2. The purchaser wants to open a machine shop which requires C3 zoning. In order to approve a machine shop, the property zoning would have to be changed, or the zoning required for a machine shop would have to be changed or a special permit would have to be issued.
