REPORTS OF COMMITTEES, OFFICIALS AND PERSONNEL

John Cieszki, Councilmember

1. The sewer plant had a tree come down and take part of the fence down. It's cleaned up and Bill Rogers, Highway Superintendent, has new fence piece available. A gate was planned for that area anyways so this helps get it done sooner.
2. Keith Borden cut of the tree and Larry Stinnet from Highway Department helped with clean up.

Gwendolyn Bork, Councilmember

1. Resident asked about additional lighting on Alaura. Highway Superintendent Bill Rogers did some research.
2. Bill said: There are no above ground telephone poles on East of West Alaura. It's all underground utilities. NYSEG requires a "special district" like the Town did with Periwinkle. There would be an additional tax. We might make one resident happy and make many residents angry.

Jennifer Strong, Town Attorney

1. Happy to report that before leaving for my vacation I was able to submitted to the State all of the requested information for Cayuga Creek and Townline Water Districts. Now we wait, again.

Gina Waiss, Deputy Supervisor

1. Extend our thanks to Judy Downhower - amazing job that she did.

Randy Crist, Councilmember

1. Add to Work Session: Discuss meeting minutes & why don't we have hard copies of Board and Work Session meetings. I would like to discuss this.

Bill Rogers, Highway Superintendent

1. At Robert O. we dug up and repaired the Broken sewer lines. Hopefully bathroom nightmare is over & we can move forward with toilets that flush.

Mike Metzger, Town Engineer

1. Working on NY State DEC scripted Data and Bio Solids Survey for the sewage treatment plant. This was sent to very late.

Glenn Christner, Code Enforcement Office/Building Inspector

Colleen Rogers, Budget Officer

1. Talked to Alden State Bank and Mr. Woodard. He is renewing our CD that is up today (for \$1,300,00 with a 4.1 rate)
2. Thank you on the record to Alden State Bank for collecting our taxes. Very important service for our Town.
3. Auditors did mention why the increased funds in "interest". They have noticed the increased interest we've received from Alden State Bank.
4. Please put Journal Entries on our Work Session, and update our policy on that. Auditors brought this issue up again.
5. B Fund: This fund is "underwater". No surprises for anyone, please. If we want to hire a Grant Writer we will need to go to Fund Balance. I do see the need for and do want to hire a Grant Writer but I want you to know that the B Fund is leaking. With the increased payroll, the increased municipal remit, and the new software ... that's why we do a lot of budget transfers and move money around. Hopefully it will all level out.
6. Judy Downhower has done a great job. She has blessed our Town.

ANNOUNCEMENTS FROM THE SUPERVISOR
