

Work Session Meeting Minutes
June 22, 2026
6:00 P.M.

Attendance:

Supervisor Colleen Pautler; Councilmembers Gwendolyn Bork, Randy Crist, Mark Drogi, and Mark Kerl; Town Attorney Jennifer Strong, Town Engineer Mike Metzger; Highway Superintendent Bill Rogers; Resident Kevin Martin

Rehrig Lids for Garbage Totes- Blair is interested in coming out, would you like him to attend a work session meeting? Alyssa will add Blair to the next work session meeting in July.

Town Fee Schedule- The Clerks Dog Fee Schedule will be updated to reflect the system on the computer. There will be a resolution for the next board meeting.

Town Cemetery/ Sandridge Road- It does state in the agreement that the resident does need to provide a parking space on premises. The Community needed to be provided a parking spot, the Town needs to make sure we can accommodate visitors. We need to add a no dumping sign at the Cemetery. Jennifer will draft a letter.

250th Celebration- County does not have anymore 250th Cemetery signs, however the Historical Society believes to the best of their knowledge that all the soldiers have a plaque.

RFP for Car Removal- Court order only states cars outside. Jennifer has sent questions to Rick about the RFP. Communications were had with the board. Once the RFP is approved it will be sent to the Akron Bugel to start the process.

3726 Pohl Road- Need to start a new application.

11670 Walden Ave- Started lead agency in 2025, the planning board reviewed and withdrew the application. Can approve at the next meeting.

11630 Genessee Street- New application, needs to see a concept plan.

12447 Lesswing Road- Homeowner called last week. Surveyor was out to property last week. If Jennifer has everything for the next meeting, we will be able to move forward.

Buffalo Solar- We need to review all documents from Buffalo Solar. Communications were had amongst the board.

Councilmember Randy Crist- Jane Mahaney would like to be the alternate crossing guard for when the new crossing guard is off. I would like to suggest that we do a proclamation for Jane and her years of service.

Councilmember Gwen Bork- Working on NYS Comp Plan- Jennifer will have a resolution for our next meeting. Looking into other grants, recycling, records, waiting until next year for the

senior van. Schoolhouse roof- roof will be done before the kickoff, we will remove the moss and wash off the roof.

Highway Superintendent, Bill Rogers- Pre-salt barn meeting for construction, Highway did a great job cleaning up after a windstorm.

Councilmember Mark Kerl- There was a dog bite, the Dog Warden completed the paperwork, and the Town Clerk sent it to the County.

Councilmember Mark Drogi- The Farmers Market has been leaving the garbage outside the concession stand; Jennifer will send a formal letter to the Chamber.

Supervisor Colleen Pautler- Colleen attended Summer Fest, it was very busy and a nice event, ninja warrior course had parents signing waivers. The only issue with the day was that our Town Park bathrooms were flooded.
