James A. Dussing
Superintendent of Highways

June 15, 2023

The Clarence Highway Department is seeking proposals to perform annual summer maintenance to our municipal parking lots. The service we are looking for is to have each lot cleaned, crack sealed, sealed and striped. We would like each bidder to specify if the sealer application will be sprayed or squeegeed and the number of applications. The bidder should also provide the type of sealer that will be used on the job.

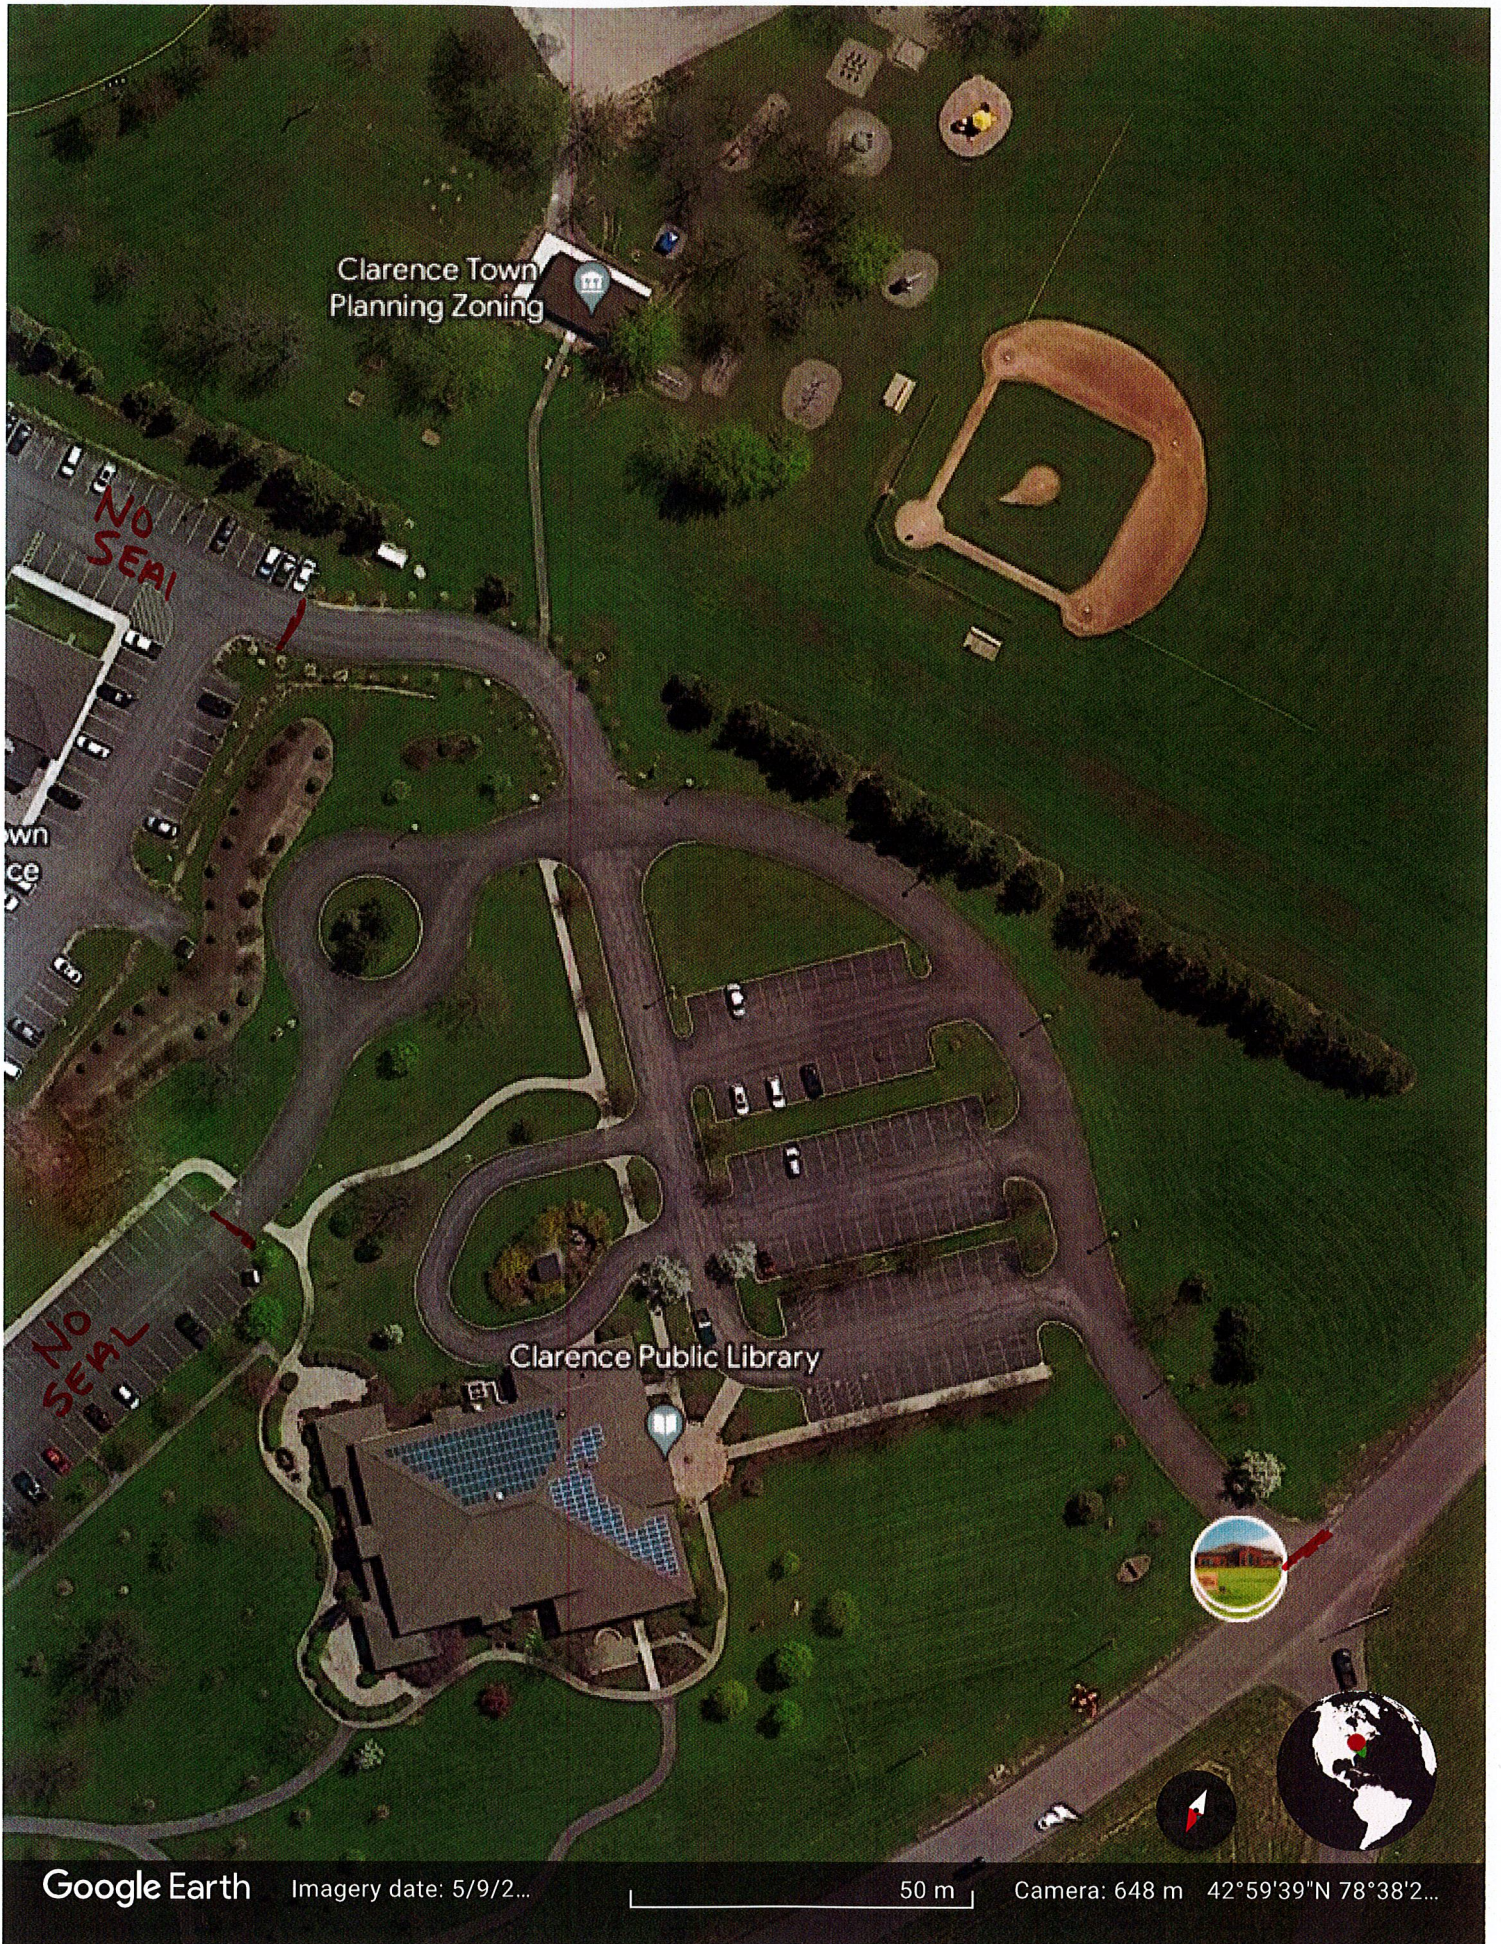

The Lots to be sealed this summer include:

- 1) Clarence Youth Bureau 10510 Main Street.
- 2) Clarence Hollow Farmers Market at Sawmill and Main Street. (Behind 7/11 Only!)
- 3) Salt Road Municipal Lot near Main Street.
- 4) Clarence Library 3 Town Place.

The work should include NYS prevailing rate and certified payroll must be submitted upon completion. Proper insurance and workers compensation paperwork must be in order prior to the start of any work. The work can occur after hours or on weekends but the Town of Clarence will not be paying any overtime or shift differential. All quotes or questions should be directed to James Dussing- Superintendent of Highways at the office or via email at jdussing@clarence.ny.us. **The deadline to submit quotes will be Friday June 30, 2023.** Thank you for interest in the work and the timely reply. I'm looking forward to working with you.

Sincerely,

James A. Dussing
