KidBiz© is an excellent opportunity for children to engage in a real-life business experience. This program was created by The SUNY Buffalo State Small Business

Development Center. It is a small-scale entrepreneurial and educational program for K - 12th graders. What to sell? Anything that will fit on a table - your old toys, sports cards, books, arts and crafts, etc. Learn how to serve customers, how much supplies will cost and how much to charge. Any questions, please contact The Clarence Youth Bureau at 716-407-2162.

To be part of KidBiz you and a guardian must complete a virtual training session called, "Get Ready for KidBiz©". To sell at KidBiz© you must:

- Be a K to 12th grade student
- like talking to people
- pay \$5.00 per child
- Have permission of a parent/guardian.
