(1) - The "Total Firefighters" figure as reported by the USFA includes support staff.

(2) The number of fire companies as reported here by the New York State comptroller does not match the USFA report.

(3) The 2000 Census population and land area figures provided by Enviroment and Planning do not match the NYS Comptrollers data. The differences are not significant to our analysis.

(4) The New York State Comptroller receives reports from Fire Districts (but not Fire Protection Districts or Fire Departments).

(5) The "Debt Per Population" figure is the debt for Fire Districts divided by a county's population. It does not include debt from Fire Protection Districts or city Fire Departments.

(6) The number of fire calls is from the New York State Secretary of State website.
