

ERIE COUNTY COMPTROLLER KEVIN R. HARDWICK

August 1, 2022

Erie County Legislature 92 Franklin Street, 4th Floor Buffalo, New York 14202 Mark C. Poloncarz, Esq. Erie County Executive 95 Franklin Street, 16th Floor Buffalo, New York 14202

Dear Honorable Members and County Executive Poloncarz:

My office has prepared an Interim Financial Report ("Report") of the County of Erie, New York ("County") as of and for the six-month period ended June 30, 2022 (second quarter 2022). The Report, enclosed for your review, consists of the following elements:

- Financial Statements
- Investment Report
- Cash Flow Statement
- Property Tax and Sales Tax Summary
- Debt Schedules
- Miscellaneous Financial Data (including data on short and long-term bonded indebtedness, property tax rates and constitutional taxing power)

Our office provides the following observations and comments for your consideration:

Sales Tax

Actual sales tax revenues in 2022 have continued to exceed budget. The County's 2022 Budget is predicated on a 2% growth in sales tax revenue, which is conservative. The 2022 Budget assumes the local 4.75% County share sales tax revenue will be \$549,174,319 (with a County share of \$512,240,560 after the County's \$24,433,759 distribution to the NFTA and \$12.5 million of the 1% sales tax is distributed to towns and cities).

Based on second quarter 2022 sales tax revenue trends, the County is on pace to meet and exceed the 2022 budgeted revenue. The County share sales tax revenue for the County's second quarter 2022 was \$150,082,715 – up from \$138,743,820 in the first quarter. The second quarter 2022 County share sales tax of \$150,082,715 compares to \$148,012,328 for the second quarter of 2021.

In the second quarter of 2022, the County experienced a negative reconciliation and prior period adjustment from New York State which saw the State reduce the County's sales tax revenue. Other counties across the state experienced a similar negative adjustment.

95 Franklin Street • Room 1100 • Buffalo, N.Y. • 14202 Phone: (716) 858-8400 • Fax: (716) 858-6195 • www.erie.gov/comptroller Because this revenue is subject to consumer spending and consumer confidence (and inflation) and is the County's largest revenue source, this office will continue to monitor this account closely throughout the year and will report as necessary.

Real Property Taxes

Through the six-month period ended June 30, 2022, the County received 92.2% of the \$402,572,648 in property tax that was levied and is collectible for County purposes. That is 0.1% higher than the percentage collected as of June 30, 2021. Taxes remaining to be collected are at \$31,325,945 for the second quarter of 2022 compared to \$31,131,979 for the same period in 2021.

Borrowing

Due to our cash position, our office projects that the County will not need to issue a Revenue Anticipation Note (RAN) in 2022 (similar to 2021).

The County is currently in the midst of the 2022 capital borrowing which includes a series for the County and a series for the sewer districts. That bond sale is expected to close in August 2022.

Conclusion

The financial statements and other information contained in this Report have been compiled largely from the official accounting records maintained in the County's SAP system. The Financial Statements from Erie County Medical Center Corporation, Erie Community College, the Erie County Tobacco Securitization Corporation, the Buffalo and Erie County Industrial Land Development Corporation, Inc. and the Erie County Fiscal Stability Authority are not included because financial information for the aforementioned entities is maintained separately from the County.

Information contained in this Report has not been reviewed by the County's independent auditor; therefore, no opinion on this Report is expressed.

If you have any questions, please contact me at (716) 858-8400.

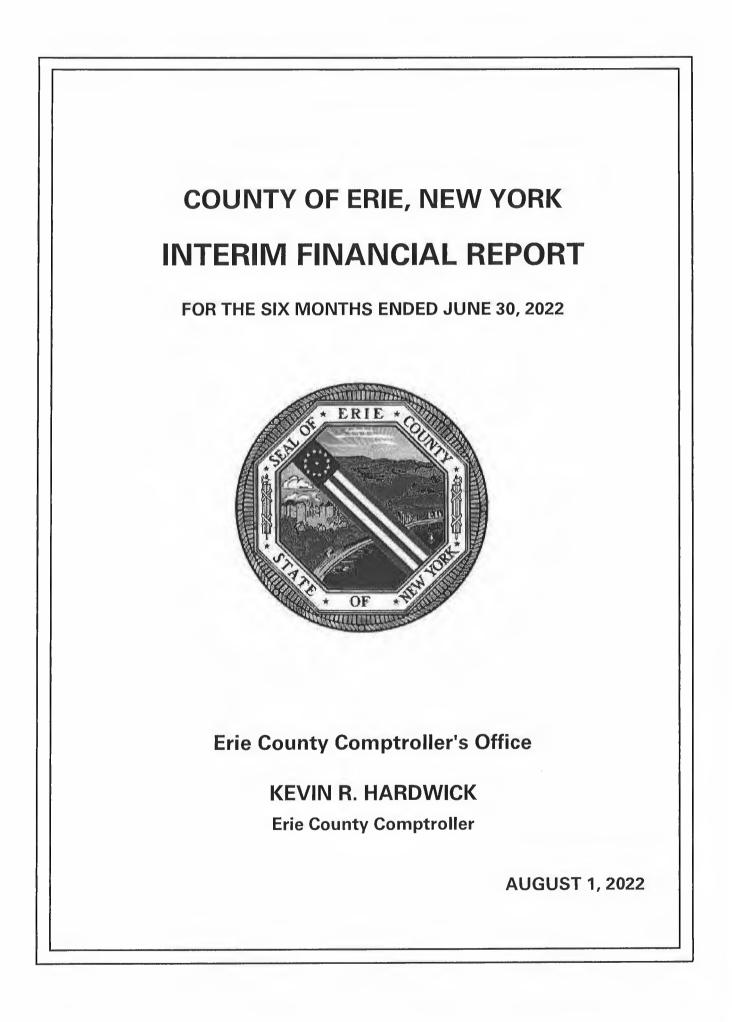

Sincerely yours,

7L. R. Hoh

Road Fund

Used to account for all revenues and expenditures related to the maintenance of County roads and bridges, snow removal, construction and reconstruction of County roads not required to be recorded in a Capital Projects Fund.

• Sewer Fund

Used to account for the activities of the various sewer districts currently in operation within the County.

Downtown Fund

Used to account for revenues raised through a special district charge levy and the subsequent expenditure of these monies for the operation and maintenance of a downtown pedestrian/transit mall.

• <u>E-911 Fund</u>

Used to account for revenues raised through a telephone access line surcharge and the subsequent expenditure of these monies for the establishment and maintenance of an enhanced 911 emergency telephone system.

Emergency Response Fund

Used to account for revenues received from the Federal Emergency Management Agency and expenditures associated with the on-going clean up of major winter storm damage that occurred in October 2006 and November 2014. Activity related to the October 2006 storm was finalized and closed out in 2017. The fund now also includes activity related to the Covid 19 pandemic and funds received from the Federal government related to the response to the pandemic.

Grants Fund

Used to account for federal and state operating grants (except the Community Development Block Grant) earmarked for specific programs, so that grantor accounting and reporting requirements can be satisfied.

• Community Development Fund

Used to assist participating municipalities in the development of locally approved community or economic development activities that are eligible under federal program regulations.

Opioid Fund

Used to account for the County's receipt and spending of opioid settlement funds from national, state and County litigation against pharmaceutical companies. The County started receiving revenue from the Office of the New York State Attorney General in 2022. Much of the opioid settlement funding is restricted and has to be spent on specific public health measures to combat opioid abuse. The Fund reports separate breakdowns for the usages of restricted funds and unrestricted funds.

DEBT SERVICE FUND

The Debt Service Fund is used to account for current payments of principal and interest on general obligation long-term debt, and for financial resources that have been accumulated to make future principal and interest payments on general long term indebtedness.

Notes:

(1) Excludes all Bond Anticipation Notes ("BANs") issued by the Environmental Facilities Corporation.

(2) Revenue Anticipation Notes ("RANs") may be issued in any fiscal year in anticipation of the collection or receipt of taxes (other than real property taxes) and certain other types of revenue which are due and payable in such fiscal year and moneys to be received from the State or Federal government which are due in such fiscal year. Pursuant to State law, such notes must mature within one year after the date of issuance, and may be renewed from time to time for periods of up to one year; however, the maturity of such notes, including renewals, may not extend beyond the end of the second fiscal year following the fiscal year in which such notes were originally issued.

The issuance of RANs has been necessitated, in part, by the State's practice of requiring local governments to pay 100% of the expenditures for various programs in advance, and then providing subsequent, often delayed, reimbursement for the non-local share.

(3) BANs may be issued in anticipation of bond proceeds to be received at a later date. On May 17, 2010, the BANs were paid by the issuance of long-term general obligation bonds by the ECFSA pursuant to an agreement entered into by the parties.
