October 18, 2023

Erie County Legislature
92 Franklin Street, Fourth Floor
Buffalo, New York 14202

Dear Honorable Members:

In 2023, the Erie County Comptroller's Office, Division of Audit & Control initiated a regular Monitoring Program of Erie County Cultural Funding Grants. The Erie County Cultural Funding program provides annual grants to non-profit arts and cultural organizations operating within the County. County funds are intended to be limited in their use to current operating expenses including salaries, program costs, fringe benefits, rents, utilities, office supplies, and equipment. Grant funds may not be used for or applied towards capital projects or physical improvements of buildings or facilities, nor as a revenue offset against accounts receivable. No funds received shall be used for any services provided or activities performed outside Erie County. The County's Department of Environment and Planning executes contracts with organizations and is the primary agency charged with monitoring.

Objective

The objective of the Cultural Funding Monitoring Program is to verify that the recipients have utilized County funds according to the terms and conditions associated with the Erie County Cultural Funding grant process and the recipient's contract with the County. In order to verify the proper use of the grant award, a number of agencies were selected in order to review their expenses and financial records.

Scope and Methodology

Approximately 120 different organizations receive funding annually from Erie County. The Comptroller's Cultural Funding Grant Monitoring Program is intended to review organizations that received a minimum of \$5,000 in funding during any of the three prior years. Approximately 80 agencies were identified as receiving \$5,000 or more in grant funding. The list of recipient organizations was split into two groups of approximately 40 agencies. The first batch of letters announcing the commencement of a review was sent to the selected non-profit organizations during mid-February 2023, with a second batch scheduled to be sent in early October 2023. The review of all agencies is expected to be completed by December 31, 2023.

2023 Program

During the interview phase, the Auditor identifies use of funding to narrow down the expenses to be verified. A table of agencies which meet the criteria for review along with the amount of grant awards can be found on the following page.

Monitoring Program – Phase I

ACT	APPROPRIATION	VENDOR NUMBER	TAX YEAR 2020	TAX YEAR 2021	TAX YEAR 2022
517125	Enlightenment Literary Arts Center & Dog Ears Bookstore	152184	\$ 28,600.00	\$ 36,600.00	\$ 55,000.00

BEST PRACTICES

Over the course of the Monitoring Program, the Division of Audit found a number of problematic practices and questionable expense categories on a recurring basis. In order to address issues pertaining to a large number of organizations, certain generally applicable best practices and recommendations are included here.

Alcohol

Several organizations used or appeared to use CGF funds to obtain alcohol. While the Division of Audit does not recommend that CGF awards be made contingent on the absence of alcohol from events hosted by the organization, alcohol should not be purchased with CGF funds. The Division of Audit found dozens of alcohol purchases that appeared to be personal in nature and several more which likely violated NYS Alcoholic Beverage Control Laws. Furthermore, the NYS Comptroller has long held that alcohol is not a “lawful county charge”, meaning that government officials and employees may not use taxpayer funds to purchase alcohol. The Division of Audit sees no reason that organizations receiving taxpayer funds should be treated differently.

Debit Cards

The Division of Audit found a large quantity of small-dollar expenses made with debit cards which appeared personal in nature. If a debit card is used, the money is gone by the time statements are typically reviewed, while a credit card bill often needs to be approved and paid by the organization’s board of directors. Thus, the use of credit cards, particularly with smaller organizations, can provide a critical layer of expense control.

Alternate Funding Sources and Segregation of Accounts

Organizations may have several sources of governmental or philanthropic funding. One way to ensure that CGF funds go farthest is to tailor awards to the needs of the organization. Such an assessment would require applicants to provide certain financial documents covering prior years and a disclosure of current year funding applications. Furthermore, accounts received from Erie County should not be comingled with the other funds of the organization. Having source information upfront and requiring the segregation of accounts substantially decreases the likelihood of wasted CGF funds.

In addition, if an organization receives a capital improvement grant and operating fund grant those funds should be maintained in segregated accounts and accounted for separately as operating fund grants **cannot** be used for capital improvements.

BACKGROUND

The General Pulaski Association, Inc. (GPA) was established in the 1930s. It is a 501(c)(3) non-profit organization whose mission is to promote and preserve the legacy of Revolutionary War General Casimir Pulaski. Moreover, GPA also states it aspires to provide historical, patriotic, educational, social and cultural programming about Americans of Polish Ancestry.

Each year, GPA hosts the Pulaski Parade, which is the organization's largest annual event. In addition, in 2022, GPA initiated an annual Buffalo's Pulaski Festival, which is scheduled concurrently with the Pulaski Parade. The GPA also hosts a series of other events each year such as Pulaski Day Dinner and Happy Hour events. During 2020 and 2021, the organization conducted a motorcade in lieu of its full celebration due to the pandemic and the limitations imposed for in-person gatherings.

In 2020, GPA received \$10,000 in County Cultural Grant funding. In 2021, GPA received \$11,000 in CGF funding. In 2022, GPA received \$12,500 in CGF funding, which included \$1,500 above the Executive recommendation. While outside of the scope period of this review, GPA received \$37,500 in 2023, which included \$25,000 above the Executive recommendation.

FINDINGS & RECOMMENDATIONS:

According to the organization's second vice president, the Erie County Cultural Grant funding is used to cover expenses related to the Pulaski Parade and the Pulaski Festival. Additionally, as of 2022 funding was also used to cover expenses for the Pulaski Festival, which takes place the same day as the Pulaski Parade.

Following a thorough review of the organization's bank records alongside other financial documentation, the Auditor was able to verify expenses related to the Pulaski Parade and the Buffalo's Pulaski Festival along with some operating expenses. Some of the expenses identified by the GPA as Festival and/or Parade expenditures could not be verified by the Auditor as substantiation could not be provided by the organization. In addition, a series of expenses were identified by the Auditor as unlikely to have a connection to GPA's stated mission. Such expenses include purchases made at retail, department and clothing stores, liquor stores, Highmark Stadium, restaurants, and gas stations. The GPA official who was interviewed informed the Auditor that he was not sure what those expenses were for.

As part of the review process, the Auditor requested substantiation for a large amount of alcohol purchases identified during a review of the GPA's bank statements and other financial records. For 2021, approximately 38% of the expenses claimed as parade-related expenditures were for alcohol purchases. The organization was not able to provide the Auditor with substantiation for approximately 32% of the alcohol purchases claimed as parade expenditures. In addition, approximately 40% of the alcohol purchased was not obtained in accordance with the New York State Liquor Authority (SLA) permitting regulations, which require alcoholic beverages to only be purchased from a licensed brewer, wholesaler or winery – not from a retail licensee.

During 2022, approximately 15% of the expenses claimed by the GPA as parade-related expenditures were for alcohol purchases. The organization was unable to provide substantiation for approximately 55% of the alcohol purchases claimed as parade related expenses. Additionally, the entire 55% of unsubstantiated alcohol purchases were obtained in violation of SLA permitting regulations.

AUDITOR COMMENTS:

GPA does not have a physical location or employees, thus eliminating expenses for payroll, property and employment taxes, rent and utilities. The bulk of the expenses incurred by the organization are related to the Pulaski Parade, the Pulaski Festival, Board of Directors meetings, and banquets. According to GPA officials, GPA meetings are hosted at various places throughout Western New York, mostly restaurants and social clubs. Other expenses that were incurred by the organization do not appear to be aligned with the mission and vision of the organization.

In 2020 and 2021, the GPA received a large portion of its revenue from public funding. The Auditor was unable to determine if County Funds were used for unrelated activities as all funds are currently commingled into one account.

GPA had received a filing extension from the IRS to file its Form 990 for FY 2022. As of the date of this report, that duration of GPA's extension had not elapsed, and the organization had not yet filed. Therefore, a return analysis for 2022 could not be performed. Based on a review of the GPA's bank account records along with other financial documentation, it appears that the amount of expenses incurred by the organization has increased substantially over the last two years. The expenditure increase has been attributed to the newly established Pulaski Parade as well as a series of unsubstantiated and/or questionable expenses. The expenditure increase appears to be directly related to an increase in the organization's operating budget.

If County funds are used to support the organization's operation and/or mission, adequate supporting documentation corroborating GPA's expense reports should be provided to verify appropriate use of funds.
