Mark C. Poloncarz, Esq.
Erie County Executive
95 Franklin Street, 16th Floor
Buffalo, New York 14202

Dear Honorable Members and County Executive Poloncarz:

My office has prepared an Interim Financial Report ("Report") of the County of Erie, New York ("County") as of and for the nine-month period ended September 30, 2023 (third quarter 2023). The Report, enclosed for your review, consists of the following elements:

- Financial Statements
- Investment Report
- Cash Flow Statement
- Property Tax and Sales Tax Summary
- Debt Schedules
- Miscellaneous Financial Data (including data on short and long-term bonded indebtedness, property tax rates and constitutional taxing power)

Our office provides the following observations and comments for your consideration:

Sales Tax

Actual sales tax revenues in 2023 have continued to exceed budget, but at lower growth levels than 2021 and 2022. This requires close vigilance due to the reduction in the growth. The County's 2023 Budget is predicated on a 1% growth in sales tax revenue, which is very conservative. The 2023 Budget assumes the local 4.75% County share sales tax revenue will be \$583,527,694 (with a County share of \$545,061,427 after the County's \$25,966,267 distribution to the NFTA and \$12.5 million of the 1% sales tax is distributed to towns and cities).

Based on third quarter 2023 sales tax revenue trends, the County is on pace to meet the 2023 budgeted revenue. The County share sales tax revenue for the County's third quarter 2023 was \$156,523,701, up from \$153,616,250 in the second quarter and \$147,313,096 in the first quarter. The third quarter 2023 County share sales tax of \$156,523,701 compares to \$152,202,672 for the third quarter of 2022.

Because this revenue is subject to consumer spending and consumer confidence (and inflation) and is the County's largest revenue source, this office will continue to monitor this account closely and will report as necessary.

Real Property Taxes

Through the nine-month period ended September 30, 2023, the County received 94.0% of the \$417,572,963 in property tax that was levied and is collectible for County purposes. This contrasts with 94.2% at the same point in 2022. Taxes remaining to be collected are at \$25,060,810 for 2023, compared to \$23,500,981 for the third quarter of 2022.

Borrowing

Due to our cash position, our office continues to project that the County will not need to issue a Revenue Anticipation Note (RAN) in 2023 (similar to 2021 and 2022).

Through November 1, 2023, this office has purchased \$6.9 billion worth of Treasury Bills since March 2022.

Conclusion

The financial statements and other information contained in this Report have been compiled largely from the official accounting records maintained in the County's SAP system. The Financial Statements from Erie County Medical Center Corporation, Erie Community College, the Erie County Tobacco Securitization Corporation, the Buffalo and Erie County Industrial Land Development Corporation, Inc. and the Erie County Fiscal Stability Authority are not included because financial information for the aforementioned entities is maintained separately from the County.

Information contained in this Report has not been reviewed by the County's independent auditor; therefore, no opinion on this Report is expressed.

If you have any questions, please contact me at (716) 858-8400.

Sincerely yours,

Kevin R. Hardwick, Ph.D.

NONMAJOR GOVERNMENTAL FUNDS

SPECIAL REVENUE FUNDS

These funds are used to account for the proceeds of specific revenue sources that are legally restricted to expenditures for specific purposes. These funds include the Road, Sewer, Downtown Mall, E-911, Grants, Community Development, and Pharmaceutical Litigation Settlements Fund.

- **Road Fund**
Used to account for all revenues and expenditures related to the maintenance of County roads and bridges, snow removal, construction and reconstruction of County roads not required to be recorded in a Capital Projects Fund.
- **Sewer Fund**
Used to account for the activities of the various sewer districts currently in operation within the County.
- **Downtown Fund**
Used to account for revenues raised through a special district charge levy and the subsequent expenditure of these monies for the operation and maintenance of a downtown pedestrian/transit mall.
- **E-911 Fund**
Used to account for revenues raised through a telephone access line surcharge and the subsequent expenditure of these monies for the establishment and maintenance of an enhanced 911 emergency telephone system.
- **Grants Fund**
Used to account for federal and state operating grants (except the Community Development Block Grant) earmarked for specific programs, so that grantor accounting and reporting requirements can be satisfied.
- **Community Development Fund**
Used to assist participating municipalities in the development of locally approved community or economic development activities that are eligible under federal program regulations.
- **Pharmaceutical Litigation Settlements Fund**
Used to account for the County's receipt and spending of pharmaceutical litigation settlement funds from national, state and County litigation against pharmaceutical companies. The County started receiving revenue from the Office of the New York State Attorney General in 2022. Much of the settlement funding is restricted and has to be spent on specific public health measures to combat opioid abuse. The Fund reports separate breakdowns for the usages of restricted funds and unrestricted funds.

DEBT SERVICE FUND

The Debt Service Fund is used to account for current payments of principal and interest on general obligation long-term debt, and for financial resources that have been accumulated to make future principal and interest payments on general long term indebtedness.

NONMAJOR GOVERNMENTAL FUNDS (Continued)

- **Highways, Roads, Bridges and Equipment Fund**
Utilized to account for capital projects administered by the Department of Public Works for the construction or reconstruction of County roads and bridges and the acquisition of equipment not accounted for in the Road Fund.
- **Sewers, Facilities, Equipment and Improvements Fund**
Used to account for capital projects relating to the construction and acquisition of sewer facilities and equipment by the operating sewer districts.
- **Tobacco Proceeds Fund**
Used to account for the net proceeds from the County's securitization of its share of the 1998 Master Settlement Agreement with the tobacco industry that will be used to fund capital projects that otherwise would have been supported by operating funds or the issuance of bonds.

Notes:

(1) Excludes all Bond Anticipation Notes ("BANs") issued by the Environmental Facilities Corporation.

(2) Revenue Anticipation Notes ("RANs") may be issued in any fiscal year in anticipation of the collection or receipt of taxes (other than real property taxes) and certain other types of revenue which are due and payable in such fiscal year and moneys to be received from the State or Federal government which are due in such fiscal year. Pursuant to State law, such notes must mature within one year after the date of issuance, and may be renewed from time to time for periods of up to one year; however, the maturity of such notes, including renewals, may not extend beyond the end of the second fiscal year following the fiscal year in which such notes were originally issued.

The issuance of RANs has been necessitated, in part, by the State's practice of requiring local governments to pay 100% of the expenditures for various programs in advance, and then providing subsequent, often delayed, reimbursement for the non-local share.

(3) BANs may be issued in anticipation of bond proceeds to be received at a later date. On May 17, 2010, the BANs were paid by the issuance of long-term general obligation bonds by the ECFSA pursuant to an agreement entered into by the parties.
