Mark C. Poloncarz, Esq.
Erie County Executive
95 Franklin Street, 16th Floor
Buffalo, New York 14202

Dear Honorable Members and County Executive Poloncarz:

My office has prepared an Interim Financial Report ("Report") of the County of Erie, New York ("County") as of and for the six-month period ended June 30, 2024 (second quarter 2024). The Report, enclosed for your review, consists of the following elements:

- Financial Statements
- Investment Report
- Cash Flow Statement
- Property Tax and Sales Tax Summary
- Debt Schedules
- Miscellaneous Financial Data (including data on short and long-term bonded indebtedness, property tax rates and constitutional taxing power)

Our office provides the following observations and comments for your consideration:

Sales Tax

After growth in sales tax revenue in 2022 and 2023, sales tax revenue growth in 2024 is slowing dramatically. Currently, our sales tax revenue is not meeting 2024 Budget estimates. Part of the County's loss of sales tax revenue in the first quarter was attributable to your mutual decision in July 2023 to temporarily eliminate all sales taxes on residential energy (natural gas, electricity, propane, heating oil, etc.) purchases for the months of December 2023 and January and February 2024.

In the May 2024 Budget Monitoring Report issued on July 5, 2024, the Budget Director estimated a negative variance on sales tax by year-end of \$21.7 million, or \$4.1 million greater than his estimate through April 2024.

Through June 30th, the County has realized 50.3% of our adopted 2024 Budget revenue for sales tax; by way of comparison, at the same point in 2023, the County had realized 51.6% of the budgeted 2023 sales tax revenue. After a large negative variance for sales tax revenue in the first quarter of 2024, the County has modestly improved on sales tax revenues in the second quarter. However, the underlying issue is that the 2024 Budget was based on an increase in sales tax

revenues that has not materialized to the degree expected. In 2024, the County adopted a budget with a \$55.8 million increase in sales tax revenue for the year, so a further trend of less sales tax revenue in future 2024 quarters will compound the problem.

Real Property Taxes

Through the six-month period ended June 30, 2024, the County has received 90.8% of the \$423,499,172 in property tax that was levied and is collectible for County purposes. This contrasts with 90.9% at the same point in 2023. Taxes remaining to be collected are at \$38,809,742 for 2024, compared to \$37,851,528 for the first and second quarters of 2023.

Borrowing

On August 1, 2024, the County closed a sale of \$44.3 million of County bonds for the County's annual capital borrowing.

In September 2024, the County anticipates selling \$125 million in bonds for the construction of the new Buffalo Bills stadium. With the County's transmittal of our July 2024 stadium payment to New York State, the County has wholly expended our \$125 million of assigned fund balance for the stadium.

Due to our cash position, our office continues to project that the County will not need to issue a Revenue Anticipation Note (RAN) in 2024 (similar to 2021, 2022 and 2023). However, our available cash continues to decrease as funds are expended including those related to the American Rescue Plan and the stadium.

Investments

Our office has continued to invest available cash in a variety of ways, through purchasing US Treasury Bills and our accounts at NYCLASS, Citizens Bank, Key Bank and JP Morgan Chase. The County also earns interest earnings on our operating accounts at M&T Bank, which is the County's lead banking partner. For instance, through July 31, 2024, we have purchased \$8.74 billion worth of Treasury Bills since March 2022. For the first six months of 2024, our office made 812 investments generating \$17,406,133 in total interest earnings; this compares favorably to the same period in 2023 with \$14,714,184 in total interest earnings.

Conclusion

The financial statements and other information contained in this Report have been compiled largely from the official accounting records maintained in the County's SAP system. The Financial Statements from Erie County Medical Center Corporation, Erie Community College, the Erie County Tobacco Securitization Corporation, the Buffalo and Erie County Industrial Land Development Corporation, Inc. and the Erie County Fiscal Stability Authority are not included because financial information for the aforementioned entities is maintained separately from the County.

Information contained in this Report has not been reviewed by the County's independent auditor; therefore, no opinion on this Report is expressed.

If you have any questions, please contact me at (716) 858-8400.

Sincerely yours,

A handwritten signature in black ink, appearing to read "K. R. Hardwick". The signature is fluid and cursive, with the first letters of each name being capitalized and prominent.

- **Sewer Fund**
Used to account for the activities of the various sewer districts currently in operation within the County.
- **Downtown Fund**
Used to account for revenues raised through a special district charge levy and the subsequent expenditure of these monies for the operation and maintenance of a downtown pedestrian/transit mall.
- **E-911 Fund**
Used to account for revenues raised through a telephone access line surcharge and the subsequent expenditure of these monies for the establishment and maintenance of an enhanced 911 emergency telephone system.

Notes:

(1) Excludes all Bond Anticipation Notes ("BANs") issued by the Environmental Facilities Corporation.

(2) Revenue Anticipation Notes ("RANs") may be issued in any fiscal year in anticipation of the collection or receipt of taxes (other than real property taxes) and certain other types of revenue which are due and payable in such fiscal year and moneys to be received from the State or Federal government which are due in such fiscal year. Pursuant to State law, such notes must mature within one year after the date of issuance, and may be renewed from time to time for periods of up to one year; however, the maturity of such notes, including renewals, may not extend beyond the end of the second fiscal year following the fiscal year in which such notes were originally issued.

The issuance of RANs has been necessitated, in part, by the State's practice of requiring local governments to pay 100% of the expenditures for various programs in advance, and then providing subsequent, often delayed, reimbursement for the non-local share.

(3) BANs may be issued in anticipation of bond proceeds to be received at a later date. On May 17, 2010, the BANs were paid by the issuance of long-term general obligation bonds by the ECFSA pursuant to an agreement entered into by the parties.
