Dear Honorable Members:

In 2023, the Erie County Comptroller's Office, Division of Audit & Control initiated a regular Monitoring Program of Erie County Cultural Funding Grants. The Erie County Cultural Funding program provides annual grants to non-profit arts and cultural organizations operating within the County. County funds are intended to be limited in their use to current operating expenses including salaries, program costs, fringe benefits, rents, utilities, office supplies, and equipment. Grant funds may not be used for or applied towards capital projects or physical improvements of buildings or facilities, nor as a revenue offset against accounts receivable. No funds received shall be used for any services provided or activities performed outside Erie County. The County's Department of Environment and Planning executes contracts with organizations and is the primary agency charged with monitoring.

Objective

The objective of the Cultural Funding Monitoring Program is to verify that the recipients have utilized County funds according to the terms and conditions associated with the Erie County Cultural Funding grant process and the recipient's contract with the County. In order to verify the proper use of the grant award, a number of agencies were selected in order to review their expenses and financial records.

Scope and Methodology

Approximately 120 different organizations receive funding annually from Erie County. The Comptroller's Cultural Funding Grant Monitoring Program is intended to review organizations that received a minimum of \$5,000 in funding during any of the three prior years. Approximately 80 agencies were identified as receiving \$5,000 or more in grant funding. The list of recipient organizations was split into two groups of approximately 40 agencies. The first batch of letters announcing the commencement of a review was sent to the selected non-profit organizations during mid-February 2023, and a second batch was sent in early October 2023. The review of all agencies is expected to be completed by July 31, 2025.

2023 – 2024 Program

During the interview phase, the Auditor identifies use of funding to narrow down the expenses to be verified. A table of agencies which meet the criteria for review along with the amount of grant awards can be found on the following page.

BEST PRACTICES

Over the course of the Monitoring Program, the Division of Audit found a number of problematic practices and questionable expense categories on a recurring basis. In order to address issues pertaining to a large number of organizations, certain generally applicable best practices and recommendations are included here.

Alcohol

Several organizations used or appeared to use CGF funds to obtain alcohol. While the Division of Audit does not recommend that CGF awards be made contingent on the absence of alcohol from events hosted by the organization, alcohol should not be purchased with CGF funds. The Division of Audit found dozens of alcohol purchases that appeared to be personal in nature and several more which likely violated NYS Alcoholic Beverage Control Laws. Furthermore, the NYS Comptroller has long held that alcohol is not a "lawful county charge", meaning that government officials and employees may not use taxpayer funds to purchase alcohol. The Division of Audit sees no reason that organizations receiving taxpayer funds should be treated differently.

Debit Cards

Credit cards, particularly with smaller organizations, can provide a critical layer of expense control. The Division of Audit found a large quantity of small-dollar expenses appearing personal in nature. If a debit card is used, the money is gone by the time statements are typically reviewed, while a credit card bill often needs to be paid and approved by the organization's board of directors.

Alternate Funding Sources and Segregation of Accounts

Organizations may have several sources of governmental or philanthropic funding. One way to ensure that CGF funds go farthest is to tailor awards to the needs of the organization. Such an assessment would require

applicants to provide certain financial documents covering prior years and a disclosure of current year funding applications. Furthermore, accounts received from Erie County should not be comingled with the other funds of the organization. Having source information upfront and requiring the segregation of accounts substantially decreases the likelihood of wasted CGF funds.

D'YOUVILLE KAVINOKY THEATER

The D'Youville Kavinsky Theater ("the Kavinsky") is a professional theater organization operating as a department within D'Youville University ("DYU"), a 501(c)(3) non-profit educational institution. Established in 1980 under the leadership of Edward Kavinsky, the theater was formed following DYU's restoration of its campus theater space. Its mission is to produce evocative, inclusive, and accessible live theater for the community. The venue seats approximately 250 patrons.

Cultural Grant Funding ("CGF") was awarded to the Kavinsky by Erie County in the following amounts:

- 2020: \$11,750 - award exceeded the Executive recommendation by \$2,500
- 2021: \$9,250 - was initially allocated but later removed from the budget prior to disbursement.
- 2022: \$11,750

Auditor's Observations

Historically, the theater began performances in the 1970s under the name Stage Centre, operating along the lines of a traditional repertory model. Its productions were initially staged in a hall on DYU's campus while restoration of the Edwardian theater took place. Over the decades, the Kavinsky has expanded to produce hundreds of performances, establishing itself as a cultural institution. Programming was significantly affected by the COVID-19 pandemic, resulting in postponed productions. During the theater's temporary closure, renovation work was undertaken. However, no documentation regarding staffing changes, layoffs, or supplemental pandemic relief funding was provided for audit review.

Auditor's Conclusion

During the grant review process, the Kavinsky was unable to substantiate use of the CGF award. Despite repeated attempts over a period of approximately eighteen months, the Auditor was unable to secure the documentation necessary to complete this review. Initial notification was provided to the organization in October 2023, informing it of the monitoring process and the forthcoming request for records pursuant to its County contracts.

Per the 2020 Cultural Services Contract, funds were to be used to reduce admission costs for a designated play and to support a panel discussion following the season's final production. The 2022 contract required CGF to fund a panel discussion in collaboration with local nonprofits addressing addiction and substance abuse, and to support a program allowing patrons to pay admission with nonperishable food items for donation to food banks on Buffalo's West Side.

Pursuant to Sections 5, 7, 8, and 9 of the County Cultural Service Contracts, the Kavinsky was obligated to maintain accurate and complete records of all financial transactions, make such records available to the County

upon request, and permit County inspection of its books, facilities, and governance documents. The organization was further required to furnish verified accounts of disbursements and allow audits of any books or records relevant to the performance of the contract.

In October 2023, the Auditor contacted administrative staff at D'Youville University, who explained that funding for the Kavinoky is managed through the University's internal budgeting and disbursement process. The Kavinoky operates as a department within DYU. It does not file separate IRS returns, however, it maintains departmental budget records. Despite multiple follow-up attempts, the Auditor was unable to obtain the necessary documentation or schedule a site visit.

In March 2025, the Auditor made final contact with a member of the theater's staff and was provided with contact information for a member of the theater's administration. A detailed email was sent which outlined the need for an in-person meeting, stating deadlines, and listing the required documentation. Although the organization proposed a site visit for April 16, 2025, this meeting was never confirmed, and the pre-review questionnaire was not submitted. All subsequent communication ceased. On April 25, 2025, a final request for documentation and confirmation was sent with a deadline of April 28, 2025. No response was received, and no documentation has been provided as of the date of this report.

As a result of the failure to produce required documentation and to participate meaningfully in the review process, the Division of Audit was unable to determine whether County funds were properly expended. The D'Youville Kavinoky Theater has been deemed non-compliant for the purposes of this review. This designation is not issued lightly; to date, no other organization in the monitoring cycle has received this status due to failure to comply. The inaction over the course of more than a year constitutes a breach of both the 2020 and 2022 contracts entered into by D'Youville University with Erie County.
