Erie County Executive  
95 Franklin Street, 16th Floor  
Buffalo, New York 14202

Dear Honorable Members and County Executive Poloncarz:

My office has prepared an Interim Financial Report ("Report") of the County of Erie, New York ("County") as of and for the six-month period ended June 30, 2026 (second quarter 2026). The Report, enclosed for your review, consists of the following elements:

- Financial Statements
- Investment Report
- Cash Flow Statement
- Property Tax and Sales Tax Summary
- Debt Schedules
- Miscellaneous Financial Data (including data on short and long-term bonded indebtedness, property tax rates and constitutional taxing power)

Our office provides the following observations and comments for your consideration:

### **Sales Tax**

So far, sales tax revenue in 2026 has continued to grow and exceed budget for the year. For instance, for sales tax receipts through early July 2026, the County ended May 2026 year to date \$12.6 million higher than the same period in 2025. Compared to the 2026 Budget, the County ended May year to date \$10.1 million higher compared to the projected year to date number in the 2026 Budget.

### **Real Property Taxes**

Through the six-month period ended June 30, 2026, the County has received 89.8% of the \$457,957,744 in property tax that was levied and is collectible for County purposes. This contrasts with 91.1% at the same point in 2025. Taxes remaining to be collected are at \$46,579,922 for 2026, compared to \$39,833,443 for the first two quarters in 2025.

### **Borrowing**

Our office will close the county's annual borrowing in mid-August 2026. Due to our cash position, our office continues to project that the County will not need to issue a Revenue Anticipation Note (RAN) in 2026 (similar to 2021, 2022, 2023, 2024 and 2025).

## Investments

Our office has continued to invest available cash in a variety of ways, through purchasing US Treasury Bills and our accounts at NYCLASS, Citizens Bank, Key Bank and JP Morgan Chase. The County also earns interest earnings on our operating accounts at M&T Bank, which is the County's lead banking partner.

For the first six months of 2026, our office made 871 investments generating \$11,906,686 in total interest earnings; during the same period in 2025 we generated \$13,658,518 in total interest earnings due in part, to more cash available to invest in 2025 and higher interest rates.

## Conclusion

The financial statements and other information contained in this Report have been compiled largely from the official accounting records maintained in the County's SAP system. The Financial Statements from Erie County Medical Center Corporation, Erie Community College, the Erie County Tobacco Securitization Corporation, the Buffalo and Erie County Industrial Land Development Corporation, Inc. and the Erie County Fiscal Stability Authority are not included because financial information for the aforementioned entities is maintained separately from the County.

Information contained in this Report has not been reviewed by the County's independent auditor; therefore, no opinion on this Report is expressed.

If you have any questions, please contact me at (716) 858-8400.

Sincerely yours,

## NONMAJOR GOVERNMENTAL FUNDS

### SPECIAL REVENUE FUNDS

These funds are used to account for the proceeds of specific revenue sources that are legally restricted to expenditures for specific purposes. These funds include the Road, Sewer, Downtown Mall, E-911, Grants, Community Development, and Pharmaceutical Litigation Settlements Fund.

- **Road Fund**  
Used to account for all revenues and expenditures related to the maintenance of County roads and bridges, snow removal, construction and reconstruction of County roads not required to be recorded in a Capital Projects Fund.
- **Sewer Fund**  
Used to account for the activities of the various sewer districts currently in operation within the County.
- **Downtown Fund**  
Used to account for revenues raised through a special district charge levy and the subsequent expenditure of these monies for the operation and maintenance of a downtown pedestrian/transit mall.
- **E-911 Fund**  
Used to account for revenues raised through a telephone access line surcharge and the subsequent expenditure of these monies for the establishment and maintenance of an enhanced 911 emergency telephone system.
- **Grants Fund**  
Used to account for federal and state operating grants (except the Community Development Block Grant) earmarked for specific programs, so that grantor accounting and reporting requirements can be satisfied.
- **Community Development Fund**  
Used to assist participating municipalities in the development of locally approved community or economic development activities that are eligible under federal program regulations.
- **Pharmaceutical Litigation Settlements Fund**  
Used to account for the County's receipt and spending of pharmaceutical litigation settlement funds from national, state and County litigation against pharmaceutical companies. The County started receiving revenue from the Office of the New York State Attorney General in 2022. Much of the settlement funding is restricted and has to be spent on specific public health measures to combat opioid abuse. The Fund reports separate breakdowns for the usages of restricted funds and unrestricted funds.

### DEBT SERVICE FUND

The Debt Service Fund is used to account for current payments of principal and interest on general obligation long-term debt, and for financial resources that have been accumulated to make future principal and interest payments on general long term indebtedness.

NONMAJOR GOVERNMENTAL FUNDS (Continued)

- **Tobacco Proceeds Fund**  
Used to account for the net proceeds from the County's securitization of its share of the 1998 Master Settlement Agreement with the tobacco industry that will be used to fund capital projects that otherwise would have been supported by operating funds or the issuance of bonds.

### Notes:

(1) Excludes all Bond Anticipation Notes ("BANs") issued by the Environmental Facilities Corporation.

(2) Revenue Anticipation Notes ("RANs") may be issued in any fiscal year in anticipation of the collection or receipt of taxes (other than real property taxes) and certain other types of revenue which are due and payable in such fiscal year and moneys to be received from the State or Federal government which are due in such fiscal year. Pursuant to State law, such notes must mature within one year after the date of issuance, and may be renewed from time to time for periods of up to one year; however, the maturity of such notes, including renewals, may not extend beyond the end of the second fiscal year following the fiscal year in which such notes were originally issued.

The issuance of RANs has been necessitated, in part, by the State's practice of requiring local governments to pay 100% of the expenditures for various programs in advance, and then providing subsequent, often delayed, reimbursement for the non-local share.

(3) BANs may be issued in anticipation of bond proceeds to be received at a later date. On May 17, 2010, the BANs were paid by the issuance of long-term general obligation bonds by the ECFSA pursuant to an agreement entered into by the parties.
