

# VIOLENCE HAPPENS BEHIND CLOSED DOORS.

# SO DOES HELP.

Is someone you love hurting you?  
Putting you down?  
Threatening you?  
Keeping you away from family and  
friends?  
Controlling your every move?

**No matter what anyone says,  
it's not your fault.**

**YOU DESERVE TO BE TREATED  
WITH LOVE AND RESPECT.**

The Family Justice Center provides  
**FREE and CONFIDENTIAL**
