This petition is requesting we Refund an overpayment of taxes. This is based on the fact that the property was assessed with a second garage with an assessment of 84,000. There is no garage and the assessment should be 80,000. In accordance with New York State Real Property Tax Law 550(3)a. This is an Error in Essential Fact. An application to correct this error must be received within one year of the date the warrant was issued which is February 15, 1997. This application was received on September 23, 1998. The time frame to refund this tax has expired.

INCREASE TO: SPRINGVILLE-GRIFFITH INSTITUTE SCHOOL

This petition is requesting we increase the Springville - Griffith Tax warrant by \$ 357.21. The reason for this request is that a Star Exemption was applied in error to this parcel. Under New York State Real Property Tax Law 553 we are not allowed to increase the tax warrant once it is certified. This took place on September 15, 1998. This petition was received on October 9, 1998. In order to correct this an amount of \$ 357.21 must go on as omitted tax on the 1999 Town and County Tax bill.

**COUNTY OF ERIE**

**LOCAL LAW INTRO. NO. 6 - 1998**

**LOCAL LAW NO. \_\_\_\_-1998**

A LOCAL LAW re-enacting Erie county local law number seven of nineteen hundred ninety-five with respect to the consolidation of the Erie county medical center and the Erie county home and infirmary, and making provision for fiscal control of such combined operation.

*Be it enacted by the Erie County Legislature as follows:*

Section 1. Statement of legislative intent. In nineteen hundred ninety-five, the county of Erie enacted, and the people of Erie county approved at referendum, Erie county local law number seven of nineteen hundred ninety-five. That local law provided for the consolidation and merger of the Erie county home and infirmary with the Erie county medical center. Section eight of that enabling law provides that the merger of the medical center and the home and infirmary shall continue through December 31, 1998, and permits the Erie county legislature to permanently renew the merger upon re-enactment of the provisions of the original enactment. It is the intention of the Erie county legislature, by this local law, to re-enact and to make permanent the merger of the Erie county medical center and the Erie county home and infirmary.

§2. Section one of Erie county local law number seven of nineteen hundred ninety-five, amending paragraph one of subdivision C of section sixteen hundred two of Erie county local law number one of nineteen hundred fifty-nine, constituting the Erie county charter, as amended, is hereby re-enacted to read as follows:

1. The board shall have the general superintendence, management and control of the Erie county medical center and of the Erie county home and infirmary, and of the grounds, buildings, officers, employees, staff and patients thereof; and of all matters relating to the government, discipline, contracts (except for collective bargaining agreements), and fiscal concerns of the medical center. The board shall make such rules and regulations as may seem to it necessary for carrying into effect the purposes of the Erie county medical center and of the home and infirmary and providing for their operation and sound management. Nothing contained herein shall effect the responsibility of the county of Erie to negotiate with the recognized and certified collective bargaining agents for the employees at the medical center or the home and infirmary. Wherever used in this charter, the term Erie county medical center or the term medical center shall be deemed to include the Erie county home and infirmary unless otherwise stated.

§3. Section two of Erie county local law number seven of nineteen hundred ninety-five, amending paragraph four of subdivision C of section sixteen hundred two of Erie county local law number one of nineteen hundred fifty-nine, constituting the Erie county charter, as amended, is hereby re-enacted to read as follows:

4. The board shall appoint and, subject to legislative appropriations provided therefor and the provisions of paragraph 8(a) of subdivision C of this Section, fix the compensation of the medical center chief executive officer, medical director, chief financial officer, chief operating officer, and associate administrator for health systems development, and the administrator of the Erie county home and infirmary.

a. The chief executive officer shall be appointed on the basis of his training and experience in health care administration, shall not be a member of the board, and shall serve at the pleasure of the board. The chief executive officer of the medical center shall have and exercise all the powers and duties of a superintendent of a public general hospital under New York statutes subject not inconsistent with this Section of the Erie

County Charter, and shall also have and exercise those powers and duties conferred or imposed by the Erie County Charter, the Administrative Code, and subsequent local law.

b. The administrator of the Erie county home and infirmary shall be appointed by the board on the basis of education, training and experience and shall possess all qualifications required of a nursing home administrator under the statutes and regulations of the state of New York.

§4. Section three of Erie county local law number seven of nineteen hundred ninety-five, amending subparagraph c of paragraph eight of subdivision C of section sixteen hundred two of Erie county local law number one of nineteen hundred fifty-nine, constituting the Erie county charter, as amended, is hereby re-enacted to read as follows:

c. Subject to civil service law and rules and to all provisions of applicable collective bargaining agreements, the board shall have the power to create and abolish full-time and part-time permanent or temporary positions of employment. Assignment of job groups, except in the case of the medical center chief executive officer, medical director, chief financial officer, chief operating officer, and associate administrator for health systems development, and administrator of the home and infirmary, shall be certified by the county department of personnel. When the medical center is unable to fill a position with a qualified person at the lowest salary level for the job group assigned to the position, the board may fill such position at a higher salary increment within the assigned job group with the approval of the county department of personnel.

§5. Section four of Erie county local law number seven of nineteen hundred ninety-five, amending subparagraph e of paragraph eight of subdivision C of section sixteen hundred two of Erie county local law number one of nineteen hundred fifty-nine, constituting the Erie county charter, as amended, is hereby re-enacted to read as follows:

e. If at anytime during the fiscal year it appears that the medical center revenue available will not be sufficient to meet the amounts appropriated, or that the actual year to date expenditures will exceed the amounts appropriated, the board of managers shall report to the county executive and the county legislature within thirty days of the identification of the short fall the estimated amount of the deficit, remedial action to be taken, and recommendations for further action. Failure to do so shall constitute cause for removal of members of the board from office by the county executive with the approval

of the county legislature. If within thirty days of making such report to the county legislature the board of managers shall not have implemented and put into effect remedial actions to the satisfaction of the county legislature, the county legislature may impose such remedial actions as it may determine to be necessary to avert or to ameliorate a deficit. The determination of whether the board of managers has implemented and put into effect such remedial actions shall be in the sole determination of the county legislature.

§6. Section five of Erie county local law number seven of nineteen hundred ninety-five, amending section 16.02 of Erie county local law number one of nineteen hundred sixty, constituting the Erie county administrative code, as amended, is hereby re-enacted and amended to read as follows:

Resolution No. 362 Re: Inclusion of Erie County Medical Center as a Service Provider for Agencies Offering Health Insurance to Erie County Employees. (Intro 22-8)

WHEREAS, the Erie County Medical Center (ECMC) is funded through an Enterprise Fund in the Erie County budget, and is a responsibility of county government as per the Erie County Charter and Administrative Code, and

WHEREAS, funding shortfalls, or deficits, realized at ECMC are financed by county taxpayers through a subsidy to the hospital, and

WHEREAS, in order to offset funding shortfalls at ECMC, it is in the joint interest of county government and its taxpayers to maximize revenues at the hospital, in order to rely less upon taxpayer funds to subsidize hospital operations, and

WHEREAS, with the exception of ECMC, hospital facilities in Erie County, for the most part, have merged into two competing systems, the CGF System, comprised of the Millard Fillmore Hospitals, Children's Hospital of Buffalo and Buffalo General Hospital, and the Catholic System, comprised of Erie County's Catholic Hospitals, and

WHEREAS, certain health insurance companies have signed exclusive contracts with particular hospital systems for particular services, and have excluded ECMC as a substantial provider of services for those subscribers, and

WHEREAS, the most recent example of this is Independent Health's exclusion of ECMC from its Encompass 65 program as of January 1, 1998, and preferential referrals to hospitals other than ECMC by certain insurance carriers for the provision of routine care, and

WHEREAS, Erie County government is a significant employer in this region, providing employment, as well as medical benefits, to thousands of residents and families in Erie County, and

WHEREAS, Erie County, resulting from collective bargaining agreements reached with employee labor bargaining units, negotiates with individual health insurance carriers to provide services to county employees, and

WHEREAS, in that it is in the best interest of county taxpayers for the county to enhance and increase patient revenues at ECMC, it would be both fiscally prudent and sound public policy for the county to require that those health insurance carriers allow insured members to utilize ECMC's medical services if they so choose, and

WHEREAS, in that negotiations with collective bargaining units on new contractual agreements are either underway or will be shortly, the Legislature would be

well advised to make a public policy statement concerning this matter that may be considered by the Division of Labor Relations, the Department of Personnel and individual collective bargaining units in advance of any agreement(s),

NOW, THEREFORE, BE IT

RESOLVED, that the Erie County Legislature does hereby express its concern for the fiscal stability at ECMC, most particularly in the area of patient revenues, and does hereby commit itself to working toward further enhancement of said revenues through negotiated changes in agreements with health insurance providers, in accordance with any and all collective bargaining requirements, and be it further

RESOLVED, that this Honorable Body does hereby endorse as public policy that Erie County government should, with respect to health insurance options offered to county employees, stipulate that those health insurance carriers offering services to county employees must not restrict access to ECMC for routine medical services, and that those choosing to make such a restriction shall be disqualified from consideration as a health insurance carrier for county employees, with such language being contained in any Request for Proposals offered by the county for employee health insurance services in the future, and be it further
