(Introduced) January 22, 1998

(Adopted) February 19, 1998

RESOLVED BY THE COUNTY LEGISLATURE OF THE COUNTY OF ERIE, NEW YORK (by the affirmative vote of not less than two-thirds of the voting strength of said Legislature), AS FOLLOWS:

Section 1. The County is hereby authorized to undertake the preparation of surveys, preliminary and detailed plans, specifications and estimates necessary for planning improvement of County court facilities. The estimated maximum cost of said specific object or purpose, including preliminary costs and costs incidental thereto and to the financing thereof, is \$3,000,000, and said amount is hereby appropriated therefor, pursuant to the duly adopted 1998 Capital Budget for the County, as hereby amended.

The plan of financing includes the issuance of \$3,000,000 bonds of the County and any bond anticipation notes issued in anticipation of the sale of such bonds to finance said appropriation, and the levy and collection of taxes on all the taxable real property in the County to pay the principal of and interest on said bonds and notes as the same shall become due and payable.

Section 2. Bonds of the County in the principal amount of \$3,000,000 are hereby authorized to be issued pursuant to the provisions of the Local Finance Law, constituting Chapter 33-a of the Consolidated Laws of the State of New York (herein called "Law"), to finance said appropriation.

Section 3. The period of probable usefulness for the specific object or purpose for which the \$3,000,000 bonds herein authorized are to be issued, within the limitations of §11.00 a. 62 (2<sup>nd</sup>) of the Law, is five (5) years.

Section 4. The County intends to finance, and the Comptroller of the County is hereby authorized to advance such amounts as necessary to pay the costs of the object or purpose described in Section 1 hereof prior to the issuance of the bonds or bond anticipation notes authorized out of any available funds of the County, on an interim basis, which amounts are reasonably expected to be reimbursed with the proceeds of debt to be incurred by the County, pursuant to this Resolution, in the maximum amount of bonds herein authorized. This Resolution is a declaration of official intent adopted pursuant to the requirements of Treasury Regulation Section 1.150-2.

Section 5. Subject to the provisions of this Resolution and of the Law, and pursuant to the provisions of Section 30.00 relative to the authorization of the issuance of bond anticipation notes or the renewals thereof, and of §§50.00, 56.00 to 60.00 and 168.00 of said Law, the powers and duties of the County Legislature relative to authorizing the issuance of any notes in anticipation of the sale of the respective amounts of bonds herein authorized, or the renewals thereof, relative to providing for substantially level or declining annual debt service relative to prescribing the terms, form and contents and as to the sale and issuance of the respective amounts of bonds herein authorized, and of any notes issued in anticipation of the sale of said bonds or the renewals of said notes, and relative to executing agreements for credit enhancement, are hereby delegated to the Comptroller of the County, as the chief fiscal officer of the County.

Section 6. Each of the bonds authorized by this Resolution and any bond anticipation notes issued in anticipation of the sale thereof shall contain the recital of validity prescribed by §52.00 of said Local Finance Law and said bonds and any notes issued in anticipation of said bonds shall be general obligations of the County of Erie, payable as to both principal and interest by general tax upon all the taxable real property within the County without limitation as to rate or amount. The faith and credit of the County are hereby irrevocably pledged to the punctual payment of the principal and interest on said bonds and any notes issued in anticipation of the sale of said bonds or the renewals of said notes, and provision shall be made annually in the budgets of the County by appropriation for (a) the amortization and redemption of the notes and bonds to mature in such year and (b) the payment of interest to be due and payable in such year.

Section 7. The validity of the bonds authorized by this Resolution and of any notes issued in anticipation of the sale of said bonds may be contested only if:

(2) the provisions of law which should be complied with at the date of the publication of this Resolution or a summary hereof, are not substantially complied with,

and an action, suit or proceeding contesting such validity is commenced within twenty days after the date of such publication,

RESOLUTION NO. 64 Re: Long Term Solutions to Strengthen  
Business at the Main Place Mall  
(Int. 5-12)

WHEREAS, The Main Place Mall recently considered banning unchaperoned youths under age 18 on school days as a way to keep large groups of children from congregating in the mall after school, and

WHEREAS, This plan was created in response to altercations that have occurred inside and just outside of the mall, and

WHEREAS, While it is true that some of the children congregating in the mall may be intent on disrupting business, it is also true that many are there either to patronize the mall's businesses or simply to meet friends in a common area, and

WHEREAS, One reason the mall may be chosen by these children as a common area for congregation is that there are so few places downtown they can go after school, and

WHEREAS, The Main Place Mall itself used to be home to a teen resource center headed by the YWCA of Western New York; a center that was closed when the Main Liberty Group took over the mall, and

WHEREAS, While some merchants were in favor of the ban, others stated that it would hurt their business, and

WHEREAS, The larger issue is how to foster business in a mall that is facing a vacancy rate exceeding 50 percent, and

WHEREAS, Thankfully, the Main Place Liberty Group has decided not to institute the ban, and rather look for long term solutions to the situation in cooperation with Buffalo Mayor Anthony Masiello and other interested parties,

NOW, THEREFORE, BE IT

RESOLVED, That the Erie County Legislature does hereby commend the Main Place Liberty Group for its decision not to implement what would have been an unfair and reactionary ban on children that would not have solved the real problems the mall is facing, and be it further

RESOLVED, That this Honorable Body does hereby express interest in being included in discussions as to how to improve business at the Main Place Mall, and be it further

RESOLVED, That this Honorable Body does hereby request that Main Liberty Group General Manager Patrick Hotung, and representatives of the City of Buffalo, NFTA, Buffalo Place and Buffalo Board of Education appear at a future meeting of the Legislature's Economic Development Committee to discuss possible long term strategies for improving business at the mall while welcoming and accommodating all people and ages, and be it further

Fiscal Impact: None for resolution.

GEORGE A. HOLT, Jr.

Mr. HOLT offered the following amendment:

ADD, following the fourth WHEREAS clause:

RESOLUTION NO. 73    Re:    Requesting State Authorization for a Pilot Program For Casino Gambling in Downtown Buffalo (Int. 3-19)

WHEREAS, casino gambling has experienced a rebirth in many states and major United States cities as a means for economically distressed areas to enhance tourism and economic development in their respective areas, as well as to enhance revenue growth for local, county and state governments, and

WHEREAS, Casino Niagara, the temporary casino located in Niagara Falls, Ontario, has reaped considerable financial rewards as a result of its status as the region's sole casino operation, attracting local residents as well as tourists through its doors, and

WHEREAS, Casino Niagara's first year of operation yielded more than \$350 million (Canadian), becoming the most successful first year casino operation in the history of the province of Ontario, and

WHEREAS, the full impact of Casino Niagara on Erie County and Western New York's respective economies is not specifically known, and should be measured to determine the how severe a loss in revenue has been experienced as a result of the casino's operation, and

WHEREAS, it has been suggested that establishment of casino gambling operations within the County of Erie, specifically within the downtown section of the City of Buffalo - would be a positive step toward enhancing tourism and economic development, and

WHEREAS, the Legislature may wish to consider a unique proposal for municipal-owned government ownership of casino operations in downtown Buffalo, with shared revenue between the state and the county, with distribution of revenues to the cities, towns, villages, and school districts within Erie County, and

WHEREAS, in this proposal, Erie County and the City of Buffalo would hold joint ownership of a casino located in downtown Buffalo (roughly defined as south of W. Tupper Street and west of Michigan Avenue), with revenues sharing agreements between the state, the county, and Erie County's municipalities, and

WHEREAS, this proposal would effectively serve as a pilot program for Western New York, allowing local officials to determine the effectiveness of casino gambling as an attraction for tourists, conventioners and other visitors to Buffalo and Western New York, and would allow officials in other areas of New York State, such as the Catskills, to measure the effectiveness of casino operations as stimuli for tourism and economic development in their areas as well, and

WHEREAS, questions exist relative to the legality of such a proposal, and the possible need for an amendment to the New York State Constitution to authorize development of this pilot project, and

WHEREAS, it is important that members of the Legislature engage in dialogue with state and local officials to determine what steps must be taken in order to move forward with such a pilot program.

NOW, THEREFORE, BE IT

RESOLVED, that the Erie County Legislature does hereby conceptually support the establishment of a pilot program for casino gambling in the City of Buffalo and the County of Erie, to locate a municipally-owned casino in downtown Buffalo for the purposes of enhancing economic development and tourism in our region, and enhancing revenue for the Erie County, its local governments, and state, and be it further

RESOLVED, that this Honorable Body does hereby request that the Gorski administration take steps to clearly ascertain the economic impact of Casino Niagara on the city of Buffalo, the County of Erie, and the Western New York region, working collectively with other agencies and business entities to determine approximately what level of positive economic impact has been lost by our region as a result of the Casino's operation, and be it further

RESOLVED, that this Honorable Body does hereby call upon officials of the City of Buffalo, County of Erie, and State of New York to appear at a future meeting of the Legislature's Economic Development Committee to discuss this matter in greater detail, discussing the legal steps that must be taken to effectuate this proposal, toward initiating productive negotiations among the three principals and establishing the aforementioned pilot casino gambling program in Western New York, and be it further

RESOLVED, that certified copies of this resolution be sent to Governor George Pataki, County Executive Dennis Gorski, and Buffalo Mayor Anthony Masiello.
