A LOCAL LAW in relation to support of the Buffalo and Erie County public library.

BE IT ENACTED BY THE ERIE COUNTY LEGISLATURE, AS FOLLOWS:

Section 1. Erie County Local Law number one of nineteen hundred fifty-nine, constituting the Erie county charter, as amended, is amended by amending section sixteen hundred twelve thereto to read as follows:

1612. Support of public libraries.

a. A portion of the annual real property tax shall be annually levied and collected for library purposes, and shall be seperately set out on the real property tax notices as the "amount for library purposes." The entire amount of funds allocated in the general budget for library purposes shall be available to the Buffalo and Erie county public library, and shall not be subject to withholding, modification, or reduction by the county after adoption of the annual Erie county budget, consistent with library powers in section two hundred fifty-nine of the education law, except that the trustees of the Buffalo and Erie county public library shall not authorize, without the prior approval of the county legislature, the transfer of any appropriation from one branch or contract library to another which would necessitate the closing of any branch or contract library.
