SEQR/COORDINATED REVIEW

TOWN OF NEWSTEAD 12474 Main Road

Relocate U-Gate Store to this property

To All Interested Agencies:

This is to direct you to the above-mentioned project's Notice of Lead Agency Designation, project location map, site plan and EAF for the referenced project found online at:

www.erie.gov/Newstead

- Legal Notices & Job Postings
- Project Plans
- Fancher Properties

As a potential permitting or interested agency, please notify us (within 30 days) by **November 27**th if your agency objects to the Town of Newstead acting as lead agency. Otherwise, we will proceed with our review and determination of significance.

Please email any concerns or requests for additional information to:

jbrady@townofnewstead.com

or mail your response to:

Mrs. Julie Brady

Town of Newstead

PO Box 227

Akron, NY 14001

Phone: (716) 542-4573; option #4

Fax: (716) 542-3702

If no response is received by **November 27, 2023** we will assume your agency has no specific concerns about this action.

BY ORDER OF THE TOWN OF NEWSTEAD TOWN BOARD

Dawn Izydorczak, Town Supervisor

This institution is an equal opportunity provider and employer.

Town of Newstead **Lead Agency Declaration**

Site Plan Application U-Gate Store 12474 Main Road

THE FOLLOWING RESOLUTION WAS OFFERED BY COUNCILMEMBER DUGAN, WHO MOVED ITS ADOPTION, SECONDED BY COUNCILMEMBER JENDROWSKI.

WHEREAS, the Town of Newstead has received a site plan application from Joseph Frey/U-Gate Store to develop approximately 4-acres of the 23-acre parcel located at 12474 Main Road in the C-2 zone in the Town of Newstead (known as: SBL# 60.00-2-59.12); and

WHEREAS, this parcel is owned by Joseph Frey and the proposed development is requested with the intent of relocating the U-Gate Store to this property, a business engaged in the sale and service of commercial yard equipment, and

WHEREAS, the proposed action is a SEQR Unlisted action;

NOW THEREFORE BE IT RESOLVED,

The Newstead Town Board, being the most local agency with permitting authority, wishes to declare SEQR Lead Agency status and conduct a coordinated review; be it further

RESOLVED,

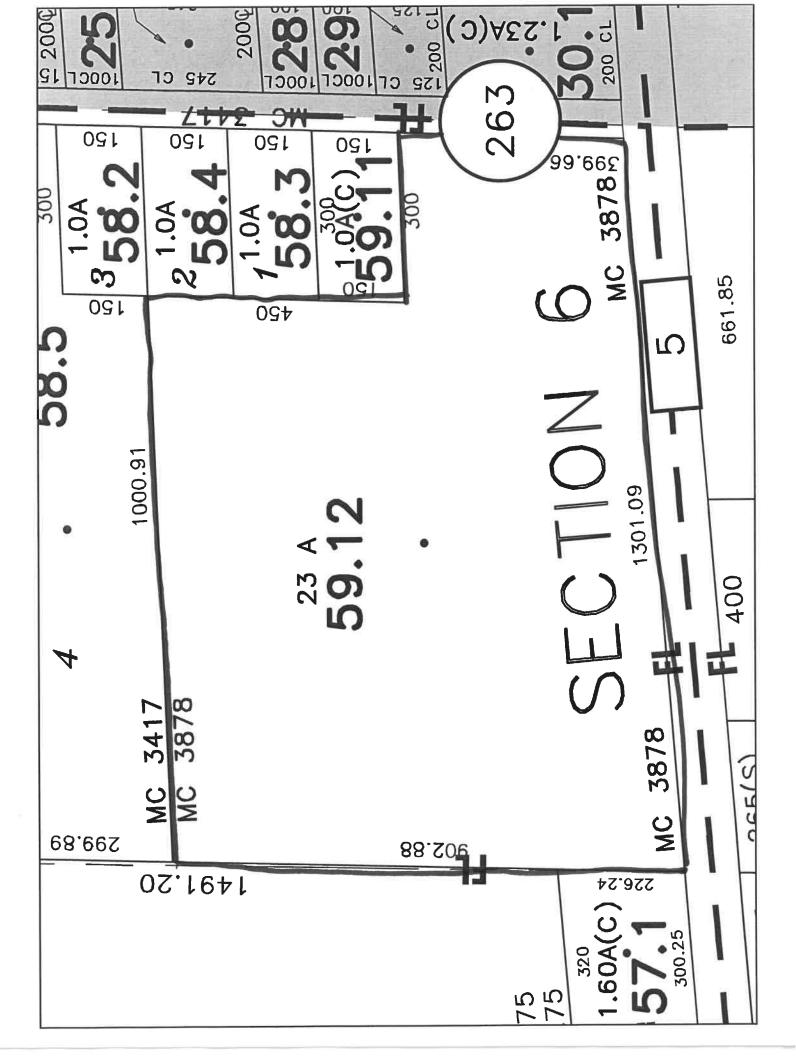

That the Newstead Town Board authorizes the Building Department to coordinate the required mailings and notifications; and that this resolution take effect immediately.

The above resolution was duly put to a roll call vote on October 23, 2023 the results of which were as follows:

Supervisor Izydorczak	Aye

Full Environmental Assessment Form Part 1 - Project and Setting

Instructions for Completing Part 1

Part 1 is to be completed by the applicant or project sponsor. Responses become part of the application for approval or funding, are subject to public review, and may be subject to further verification.

Complete Part 1 based on information currently available. If additional research or investigation would be needed to fully respond to any item, please answer as thoroughly as possible based on current information; indicate whether missing information does not exist, or is not reasonably available to the sponsor; and, when possible, generally describe work or studies which would be necessary to update or fully develop that information.

Applicants/sponsors must complete all items in Sections A & B. In Sections C, D & E, most items contain an initial question that must be answered either "Yes" or "No". If the answer to the initial question is "Yes", complete the sub-questions that follow. If the answer to the initial question is "No", proceed to the next question. Section F allows the project sponsor to identify and attach any additional information. Section G requires the name and signature of the applicant or project sponsor to verify that the information contained in Part 1 is accurate and complete.

A. Project and Applicant/Sponsor Information.

c. Is the project site presently used by members of the community for public recreation?i. If Yes: explain:	□Yes☑No
 d. Are there any facilities serving children, the elderly, people with disabilities (e.g., schools, hospitals, licensed day care centers, or group homes) within 1500 feet of the project site? If Yes. i. Identify Facilities: 	Yes No
e. Does the project site contain an existing dam? If Yes: i. Dimensions of the dam and impoundment: • Dam height: • Dam length: • Surface area: • Volume impounded: ii. Dam's existing hazard classification: iii. Provide date and summarize results of last inspection:	□Yes 2 No
m, thorac date and sulmanze results of last inspection.	
f. Has the project site ever been used as a municipal, commercial or industrial solid waste management facility, or does the project site adjoin property which is now, or was at one time, used as a solid waste management facility es:	☐ Yes ☑ No
i. Has the facility been formally closed?	Yes No
If yes, cite sources/documentation;	
ii. Describe the location of the project site relative to the boundaries of the solid waste management facility:	
iii. Describe any development constraints due to the prior solid waste activities:	
 g. Have hazardous wastes been generated, treated and/or disposed of at the site, or does the project site adjoin property which is now or was at one time used to commercially treat, store and/or dispose of hazardous waste? If Yes: i. Describe waste(s) handled and waste management activities, including approximate time when activities occurre 	□Yes☑No d:
h. Potential contamination history. Has there been a reported spill at the proposed project site, or have any remedial actions been conducted at or adjacent to the proposed site?	☐Yes ✓ No
If Yes: i. Is any portion of the site listed on the NYSDEC Spills Incidents database or Environmental Site Remediation database? Check all that apply:	□Yes□No
☐ Yes Spills Incidents database Provide DEC ID number(s): ☐ Yes Environmental Site Remediation database Provide DEC ID number(s): ☐ Neither database Provide DEC ID number(s):	
ii. If site has been subject of RCRA corrective activities, describe control measures:	action for the
iii. Is the project within 2000 feet of any site in the NYSDEC Environmental Site Remediation database? If yes, provide DEC ID number(s):	□ Yes No
iv. If yes to (i), (ii) or (iii) above, describe current status of site(s):	

v. Is the project site subject to an institutional control limiting property uses? • If yes, DEC site ID number: • Describe the type of institutional control (e.g., deed restriction or easement):	□Yes□No
Describe any use limitations:	
 Describe any engineering controls: Will the project affect the institutional or engineering controls in place? Explain: 	□Yes□No
E.2. Natural Resources On or Near Project Site	and secured for Manage defined the search defined by Palmace
a. What is the average depth to bedrock on the project site? 4 feet	produkti o resis
b. Are there bedrock outeroppings on the project site? If Yes, what proportion of the site is comprised of bedrock outeroppings? 90	☐ Yes ✓ No
c. Predominant soil type(s) present on project site: HoB · Honeyoe loam 41 ° LmA · Lima loam 51 ° Nh · Niagara silt loam 8 °	O
d. What is the average depth to the water table on the project site? Average: >5 feet	MART THE PARTY OF
e. Dramage status of project site soils: Well Drained: % of site Moderately Well Dramed: 92 % of site Poorly Drained 8 % of site	
f. Approximate proportion of proposed action site with slopes: 0-10%: 16.2% of site 10-15%: % of site 15% or greater: % of site	The same first and property of the same section of the same sectio
g. Are there any unique geologic features on the project site? If Yes, describe:	□ Yes ☑ No
h. Surface water features. t Does any portion of the project site contain wetlands or other waterbodies (including streams, rivers, ponds or lakes)?	□Yes No
ii. Do any wetlands or other waterbodies adjoin the project site?If Yes to either i or ii, continue. If No, skip to E.2.i.	✓ Yes No
iii. Are any of the wetlands or waterbodies within or adjoining the project site regulated by any federal, state or local agency?	☑ Yes□No
iv For each identified regulated wetland and waterbody on the project site, provide the following information: • Streams: Name Classification	
Lakes or Ponds: Name Classification Wetlands: Name Approximate Size Wetland No. (if rounlated by DEC)	
 Wetland No. (if regulated by DEC) v. Are any of the above water bodies listed in the most recent compilation of NYS water quality-impaired waterbodies? If yes, name of impaired water body/bodies and basis for listing as impaired: 	□Yes ☑No
A CONTRACT OF THE PARTY OF THE	Annual Control Control Control
i. Is the project site in a designated Floodway?	□Yes ZNo
j. Is the project site in the 100-year Floodplain?	□Yes☑No
k. Is the project site in the 500-year Floodplain?	□Yes No
I. Is the project site located over, or immediately adjoining, a primary, principal or sole source aquifer? If Yes: L. Name of aquifer:	□Yes ☑No

 Identify the predominant wildlife species that occupy or use White-tail deer 	the project site:	and Arra
Raptors		Page 1
n. Does the project site contain a designated significant natural c If Yes: i. Describe the habitat/community (composition, function, and		□ Yes ☑No
ii. Source(s) of description or evaluation:		
iii. Extent of community/habitat:		
Currently:	acres	
Following completion of project as proposed:	acres	
Gain or loss (indicate + or -):	acres	- Cale and a second of the second
 O. Does project site contain any species of plant or animal that is endangered or threatened, or does it contain any areas identifically areas. If Yes: i Species and listing (endangered or threatened); Northern Long-eared Bat 	listed by the federal government or NYS as a das habitat for an endangered or threatened spec	Ø Yes□No ies?
 p. Does the project site contain any species of plant or animal the special concern? If Yes: i. Species and listing: 	at is listed by NYS as rare, or as a species of	∐Ycs Ø No
q. Is the project site or adjoining area currently used for hunting. If yes, give a brief description of how the proposed action may a		∐Yes ∕No
E.3. Designated Public Resources On or Near Project Site		
 a. Is the project site, or any portion of it, located in a designated Agriculture and Markets Law, Article 25-AA. Section 303 at If Yes, provide county plus district name/number: ERIE001 		Ø Yes □No
 b. Are agricultural lands consisting of highly productive soils project site? ii. Source(s) of soil rating(s): 	esent?	□Yes ☑No
 c. Does the project site contain all or part of, or is it substantiall Natural Landmark? If Yes: i. Nature of the natural landmark: ii. Provide brief description of landmark, including values behavior 	unity Geological Feature	_Yes. No
d. Is the project site located in or does it adjoin a state listed Crit If Yes: i. CEA name: ii. Basis for designation: iii. Designating agency and date:		∐Yes. No

e. Does the project site contain, or is it substantially contiguous to, a building, archaeological site, or district which is listed on the National or State Register of Historic Places, or that has been determined by the Commiss Office of Parks. Recreation and Historic Preservation to be eligible for listing on the State Register of Historic Ptes: i. Nature of historic archaeological resource: Archaeological Site Historic Building or District it. Name: iii. Brief description of attributes on which listing is based:	ioner of the NYS
The second of the second which is the second	
f. Is the project site, or any portion of it, located in or adjacent to an area designated as sensitive for archaeological sites on the NY State Historic Preservation Office (SHPO) archaeological site inventory?	□Yes No
g. Have additional archaeological or historic site(s) or resources been identified on the project site? If Yes: i. Describe possible resource(s):	□Yes☑No
n. Basis for identification:	F6 AV
h. Is the project site within fives miles of any officially designated and publicly accessible federal, state, or local scenic or aesthetic resource? If Yes:	□Yes Ø No
 i. Identify resource: ii. Nature of, or basis for, designation (e.g., established highway overlook, state or local park, state historic trail or etc.); 	scenic byway,
etc.): iii Distance between project and resource: miles.	
 Is the project site located within a designated river corridor under the Wild. Scenic and Recreational Rivers Program 6 NYCRR 666? If Yes: Identify the name of the river and its designation; 	☐ Yes No
i. Identify the name of the river and its designation: ii. Is the activity consistent with development restrictions contained in 6NYCRR Part 666?	□Yes□No
F. Additional Information Attach any additional information which may be needed to clarify your project. If you have identified any adverse impacts which could be associated with your proposal, please describe those in measures which you propose to avoid or minimize them.	ipacts plus any

LEGAL NOTICE NOTICE OF PUBLIC HEARING

TOWN OF NEWSTEAD, NEW YORK

PLEASE TAKE NOTICE, that a public hearing of the Town Board will be held at Newstead Town Hall, 5 Clarence Center Road in the Village of Akron, New York at 7:20pm on the 13th day of November, 2023 to consider the following:

Site plan approval request from Joseph Frey/U-Gate Store, to develop a parcel at 12474 Main Road in the C-2 zone district in the Town of Newstead, with the intent of relocating the U-Gate Store, which is engaged in the sale and service of commercial yard equipment.

The site plan is on file in the Building Department of the Town of Newstead and is open for inspection to any interested person during business hours. The hearing is open to the public. Interested individuals are invited to attend and may submit written comments in advance of the public hearing. The meeting room is wheelchair accessible. Those needing special arrangements should call the Town Clerk at 542-4573 by November 8, 2023.

Dated: October 23, 2023 BY ORDER OF THE TOWN BOARD

OF THE TOWN OF NEWSTEAD
