

Sponsored by Newstead Recreation

Lego Camp 2024

August 12-16
9:00AM-2:30PM
Cost:\$200

Lego Camp @ Akron Middle School

Our NYS certified teachers will provide a safe and nurturing environment for your K-5 child during our week-long camp. Students will be grouped developmentally by age and ability level throughout the workshops. This camp will provide a fun and creative approach to interdisciplinary learning. Each day will include thematic lessons, learning games, building challenges, and model building. Children will have the unique opportunity to continue to work on their creations over a five-day period. Additionally, your child will have the opportunity to participate in many other activities on our week-long adventure, "Lego Olympics", which includes arts and crafts, scavenger hunts, and outdoor play. If your child loves building and creating, join us this summer for a week of "Lego Olympics"!
