February 7th @ 1:00 - 3:30pm - Getting Comfortable with Death

Death has become hidden, making it harder for us to come to terms with the reality of it. It hasn't always been this way. The modern death-positive movement creates ways for those who want the chance to talk openly about mortality. We'll grow our comfort and knowledge about this topic, and share resources for "talking the talk" with others. Light refreshments will be served.

February 13th @ 1:30pm - Managing Money: A Caregivers Guide

This evidence-based course helps caregivers understand the costs of caregiving and the benefits of early planning, and teaches them how to start a conversation about finances, assess financial and legal needs, avoid financial abuse and fraud and find support when needed.
