Supervisor Gambino called the hearing to order at 6:33 PM.

Supervisor Gambino began by showing the evolution of the Town of Sardinia Code Books starting with the first book compiled by Code Publishers, then the book as updated in 2013. Supervisor Gambino noted that this version has been found to have a number of errors in it. Lastly Supervisor Gambino showed the board and those in attendance the updated version the Code Publishers just completed. It was noted that the newest version of the Code Book also incorporated the Towns Zoning as well.
