New Business:

1. Becky had updated the Draft and it was sent to Dave DiMatteo, the Town Attorney. The board will continue the discussion of the Draft for the Town of Sardinia Road Standard Laws at the next meeting once any updates are received.
2. Nancy informed the board that Dave DiMatteo will sent her information on zoning laws for solar and wind structures, and fracking. She led a discussion on these topics. Dan Szustakowski mentioned he had heard that a Data Center for crypto mining was being put in at Kissing Bridge. He asked if the board should develop zoning laws for crypto mining. He asked if anyone on the board was familiar with crypto mining. No one had expertise on that topic. It was decided that the members of the board would do research to become more knowledgeable on the topic. The discussion would continue at following meetings.
