

Automated Collection with 96-gallon Carts Coming Soon

Dear Sardinia Resident,

WM will begin using automated trucks for trash and recycling collection on April 1, 2026. These trucks use automatic lifting arms to empty carts, making collection efficient and safer for your community and our drivers.

One 96-gallon recycling cart will be delivered to each residence by March 27th.

With automated collection, all materials must fit inside the WM trash or recycling cart with the lid firmly closed - no extra bags, materials outside the cart, or resident-owned containers will be collected.

WM is excited to provide the residents of the Sardinia with automated collection.

See the back side for more information.

Beginning April 1, 2026, use only the WM 96-gallon carts for trash and recycling. No materials outside the carts or resident-owned containers will be collected. Your trash & recycling will continue to be collected weekly on Mondays.

100 Ransier Dr
West Seneca, NY 14224

Proper cart placement for automated collection

Remember to place your carts at least 3 feet apart and 3 feet away from any obstacles (trees, cars, mailboxes, etc.) to allow the automatic arm to lift and empty the carts. Place wheels of cart toward house.

 **Recycling cart with yellow lid** - use only the green 96-gallon cart with the yellow lid for recycling. Please break down cardboard and place it inside the recycling cart. No materials outside the cart will be collected.

 **Trash cart with green lid** - bag and tie trash inside your trash cart. No materials outside the cart will be collected.

 Have your carts at the curb the night before or **no later than 6:00 a.m.** on your collection day.

To schedule a cart repair: Call WM (800) 972 - 4545
To report a missed pickup: Call WM (800) 972 - 4545 or visit wm.com
