**DEPARTMENT OF
PUBLIC WORKS
VILLAGE OF ALDEN**
13395 Railroad Street
Alden, NY 14004

May 14, 2025

**Request for sealed bid
Village Streets Paving Project (2025)
(Original Bid Dated May 5, 2025 CANCELLED)**

Attention Bidders:

The Village of Alden has decided to cancel our original bid request dated May 5, 2025 for the milling and paving of select Village streets. Please find the new updated bid request dated May 14, 2025, which now is asking for additional bid pricing for “Base Course / Sub-Base Course “soft-spot” repairs, per cubic-yard.

Based upon prior engineering and street bores, the Village is anticipating areas of soft-spots which will need repairs but would not be able to be identified until streets are milled (but prior to paving).

Bidders are asked to submit bids based upon the May 14, 2025 bid request, and all sealed bids are due to the **Village Clerk’s Office, 13336 Broadway, Alden, New York 14004 by 12:00pm on June 2, 2025.**

Any questions regarding this bid are to be directed to the Superintendent of Public Works, who may be reached at (716) 937-7392.

Sincerely,

Daniel Czelusta,
Village of Alden
Superintendent of Public Works
